

# HOW TO USE THE "ZACK SELF ALIGNMENT" STENCIL

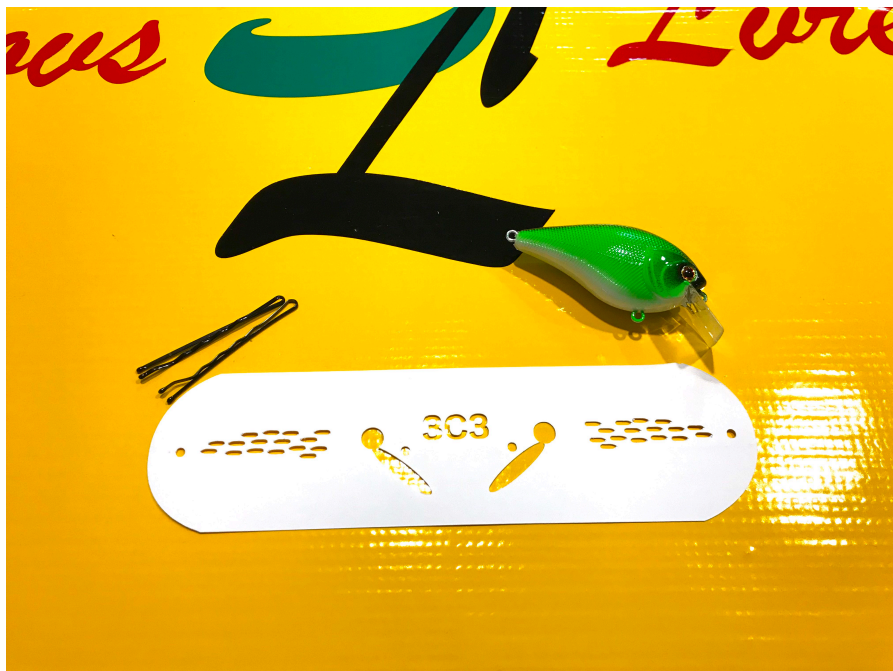

1. Pre-paint lure body; base colors, etc.

2. Select Stencil pattern

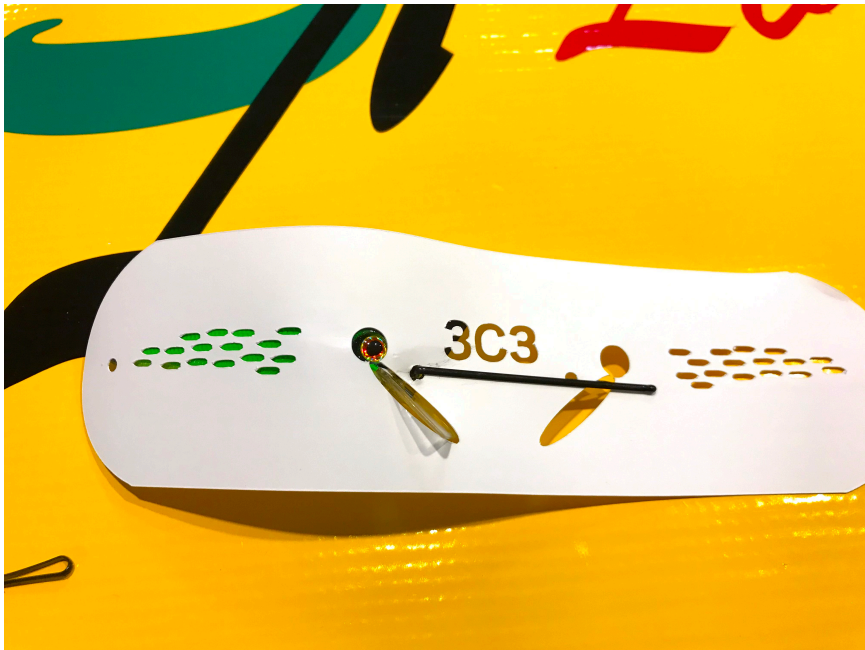

3. Have clips; lure body, and stencil ready for air brushing

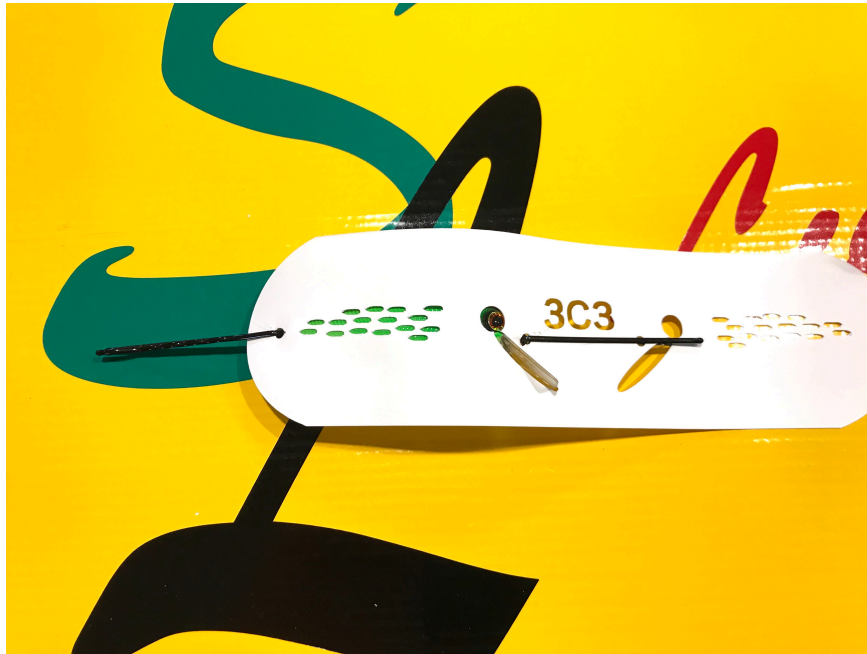

4. Place stencil over lure body; line up body eye and lip to stencil

5. push clip through stencil tie-on eye hole and through lure body tie-on eye and pull lightly

6. push second pin through Stencil tail eye hole and through lure body tail eye; pull lightly to straighten; Stencil is aligned head to tail.

7. Paint lure body and enjoy the results
