

AQUATIC WEED CONTROL PERMISSION FORM FOR WALNUT LAKE

It is the intent of the property owners of Walnut Lake to treat aquatic nuisance weeds with aquatic herbicides. According to state law (prior to the initial application of aquatic herbicides and / or algacides to public waters) it is necessary to have obtained permission from each waterfront property owner wishing to have their waterfront treated. Please fill in the form below granting Savin Lake Services permission to treat with aquatic herbicides in the bottomland areas of your property (the waters of your lake that are in alignment with your property) and return it to us at your earliest discretion.
