To whom it may concern,

My name is Kaylee Freeman and I am a birth doula serving on the West Michigan Lakeshore. Through the "Life with Baby" program, Walmart covers up to \$1000 for prenatal, birth, and postpartum doula support. If allowed, I am asking if the attached flyer could be placed in view of employees who are pregnant or in their postpartum period. Neuma Birth Worker Collective offers many services that benefit women in their birth journey. Please do not hesitate to contact me for more information.

Thank you in advance,

Kaylee Freeman
