25	20	1031-1059 Taramundi Dr	40	6/24/2026	8/18/2026

Note: All timelines presented are tentative and provided for general planning purposes.

Actual start and completion dates may vary based on a variety of factors, including—but not limited to—weather conditions, site accessibility, unforeseen material delays, and coordination with other ongoing scopes of work. Inclement weather, particularly heavy rain or high winds, may delay scheduled activities such as sealant application, surface preparation, and coatings, which require dry conditions for proper adhesion and curing.
