We would like to take this opportunity to thank you so much for choosing *DISCOVERY INN & SUITES* as your “home away from home.” Please know that we value you as our guest, and our goal is to ensure that your stay with us is to your utmost satisfaction.

November is the month “ours truly,” Timothy J. Verret (Front Desk Clerk/Creative Marketing Manager), was created. It was on November 13th that God felt it necessary to bring him into this world. In talking with Timothy, he admits that sometimes he wonders what God was thinking when he brought him here. Was it absolutely essential for Timothy to be brought into this world? Has God planned something all along that, even to the 13th day of November (55 years old), Timothy still is not sure exactly what that something is? You might find yourself asking these same questions on the day you were created and maybe even on the day when you weren’t. These are questions some spend lifetimes searching for the answers to but never find. These are questions some never spend one moment of their lives searching for the answer to and, of course, never find. Whatever “some” you find yourself in, these questions of consideration might be worth being “some” member....in November!

At *DISCOVERY INN & SUITES*, we offer our guests the best in affordability, comfort and care. We hope you will find that our rooms are most accommodating, as they have been recently remodeled to offer the most up-to-date interior design and decorum. Our housekeepers and front desk clerks welcome each and every guest with a smile; they are here to provide you with the best in care so you can relax and unwind in the luxury of your room.

**“ALWAYS REMEMBER....TO LOVE IN NOVEMBER”**

*We are here for YOU! Have a wonderful stay!*

# “DISCOVER” NOVEMBER TRIVIA

In November, trivia questions abound! Take a look at these unique trivia questions and answer them accordingly. “Did you have a good thanksgiving?” (as the above picture informs) is when you get them all correct and go to the bottom of the questions to claim your prize:

- **In Latin, the word *November* means:** a. eleventh month. b. Scorpio month. c. frost month. d. ninth month. **ANSWER:** \_\_\_\_\_
- **What gem has the longest history of being worn as a traditional birthstone for November?:** a. amber. b. topaz. c. yellow jade. d. yellow diamond. **ANSWER:** \_\_\_\_\_
- **Austria, Germany and Switzerland celebrate what on November 9<sup>th</sup>?:** a. Lederhosen Day. b. Mead Day. c. Inventors Day. d. Sausage Day. **ANSWER:** \_\_\_\_\_
- **This famous romance drama film, based on the play *Everybody Comes To Rick’s*, made its debut on November 26, 1942. What was this film?:** a. Casablanca. b. For Whom the Bell Tolls. c. The Maltese Falcon. d. Mr. Smith Goes to Washington. **ANSWER:** \_\_\_\_\_

A pandemic of food poisoning from E-coli-infected Thanksgiving turkeys. b. The election of the U.S.’s first president with a phobia of lying. c. A toilet paper shortage. d. A nuclear attack on the U.S. **ANSWER:** \_\_\_\_\_
- **In the classic Guns N’ Roses’ song, *November Rain*, what follows this line: “And when your fears subside, and shadows remain...”:** a. “I know that you can love me.” b. “I know my shame is your only pain.” c. “I know our love will stray.” d. “I know your dog watches me while I sleep.” **ANSWER:** \_\_\_\_\_
- **According to botanists, in the northern hemisphere Maple leaves most often turn what color by mid- November?:** a. light green. b. gold. c. red. d. brown. **ANSWER:** \_\_\_\_\_

NOTE: Even though the question in the picture, “*Would a turkey make a good pet?*,” was not part of the trivia questions, we went searching for an answer. One family who has a turkey as a pet says, “he (the turkey) is incredibly sweet and gentle, loves being petted, and sometimes sits and watches TV with us.” We think turkeys are much better as pets than as plates (food). 🦃

***Please turn in your answers to the front desk lobby (don’t forget to answer our question, “Would a turkey make a good pet?”). If you get them all correct (including the answer to the question, “Would a turkey make a good pet?”), you get a FREE CAN OF SODA from our mart!***

# "DISCOVER" THRIVING THANKFULNESS

Thankfulness doesn't always come easy to some. Many forget about this "soil in which joy thrives." Being that November is a common month for thankfulness, i.e., November 25th, Thanksgiving Day, it might behoove us to start digging in that soil to find out in which our joy thrives. "Soil" is one of those words that brings up the word, "soul." Nothing like thankfulness to "discover" the "soil in which our soul thrives." Start digging, start "discovering," and put your "gardening" pen to paper to write out your thankfulness list:

I, \_\_\_\_\_ (your name), want to express my thankfulness for (list them in the boxes):

FOLLOW-UP TO THANKFULNESS: How did you do with your thankfulness list? Did you "discover" some surprises? Did you "discover" something you totally forgot about but now you are so thankful you remembered it? Make a copy of this thankfulness list and keep it always with you.

This way, you won't ever be surprised or forget about what it means to be....
