We would like to take this opportunity to thank you so much for choosing *DISCOVERY INN & SUITES* as your “home away from home.” Please know that we value you as our guest, and our goal is to ensure that your stay with us is to your utmost satisfaction.

What does June have in store for us? Well, mothers had their day in May, so fathers have their boon in June! Yes, that’s right, June 20th is Father’s Day! Even though Mother’s Day always seems to get more attention than Father’s Day, fathers are nothing to sneeze at. Fathers make some serious sacrifices for their families. They often go to work to keep the family going, when I’m sure they’d trade it all in to spend more quality time with their family. So, we’re gonna celebrate all those fathers out there in this newsletter by giving them all the attention they deserve. One thing that is so awesome about working here at *DISCOVERY INN & SUITES* is that it is run by a family headed by a father, Mr. Patel, or Mr. P as we fondly call him, who is way heads and way shoulders above most fathers (and managers). Always thoughtful, always truthful, and always “too full” of himself sometimes 😊, Mr. P is one father (and manager) that family members and hotel employees (BOTH) treasure and treat with so much respect, as he treats us so much the same! 💜💙💚💛

At *DISCOVERY INN & SUITES*, we offer our guests the best in affordability, comfort and care. We hope you will find that our rooms are most accommodating, as they have been recently remodeled to offer the most up-to-date interior design and decorum. Our housekeepers and front desk clerks welcome each and every guest with a smile; they are here to provide you with the best in care so you can relax and unwind in the luxury of your room.

*“Let no one of love be immune....in June!!!!”*

**Have a wonderful stay with us!**

# “DISCOVER” FATHER’S DAY SUDOKU

Sudoku is usually a fun and challenging puzzle with numbers, but this one will test you sudoku-style with letters! If you get “stumped on sudoku,” you might need to surf and search the web for those sudoku secrets! 😊

## Father’s Day Sudoku

Every row, column and mini-grid must contain the letters F A T H E R.  
Don't guess - use logic

R					T
		T	E		
	R	F	T	H	
	T	H	R	E	
		E	A		
H					E

Did you do it all up sudoku style? And did a father do it? In celebration of Father’s Day, all you fathers, bring in the completed sudoku puzzle to the front desk and enjoy a free can of soda from our mart! It’s the least we can do for all you fathers do for all your families!

# “DISCOVER” THE BEST AND THE WORST DADS EVER!

No matter where I go  
 No matter what I become  
 I can always seek peace  
 By holding  
 my daddy's thumb.

[Rb06518e1e21e476fa56714de30612bee \(696x447\) \(bing.com\)](https://www.bing.com/search?q=Rb06518e1e21e476fa56714de30612bee+(696x447)&FORM=QBPC&FORM=QBPC&FORM=QBPC)

When it comes to fathers, you gotta take the good with the bad! Here is a list of famous fathers, some you'll wish you could hold by their thumb as in the above picture and some you'll be eternally grateful never your heart and their thumb did meet:

BEST DADS EVER!	WORST DADS EVER!
<p><b><u>MARK TWAIN</u></b>: Twain had three daughters during his 34-year marriage. Though he doted on all his children, Twain was particularly close with his oldest, Susy, who shared his love of acting and writing. When she died of meningitis as a young woman in 1896, Twain fell into a deep depression. 😞</p>	<p><b><u>IVAN THE TERRIBLE</u></b>: Ivan ruled as Czar of Russia from 1533 until his death in 1584. It is likely that his nine children suffered years of abuse at his hands. In 1581 he beat his pregnant daughter-in-law as punishment for wearing revealing clothing, causing her to miscarry. 😞</p>
<p><b><u>CHARLES DARWIN</u></b>: The father of modern evolutionary science was also a devoted dad to 10 children, of whom two died in infancy. He played a central role in raising and educating his brood at a time when childrearing was seen as women's work. He was the original "Mr. Mom," I guess! 😊</p>	<p><b><u>HEROD THE GREAT</u></b>: This King of Judea from 37 to 4 B.C. is remembered as an ambitious but cruel and paranoid ruler who infamously ordered the executions of several members of his own family. These included his second wife, his mother-in-law, his brother-in-law and three of his sons. 🤡</p>
<p><b><u>GOD</u></b>: The Father of All Fathers, God of the Bible is described as "<b>compassionate and gracious, slow to anger, abounding in love</b>" (Psalm 103:8) and a Father who "<b>will never leave you nor forsake you</b>" (Hebrews 13:5). When it comes to having a Good and Best Father, I give you my word that you won't find a better father than God! 😊</p>	<p><b><u>BING CROSBY</u></b>: This beloved crooner is believed to have "crooned and doomed" much in the way of mental and physical cruelty toward his son, Gary, as revealed in Gary's memoir "Going My Way." Gary was the lone surviving son -- Lindsay and Dennis, scarred by the old man, both shot themselves in the head. 😊</p>
<p><b><u>FRED ROGERS</u></b>: Aka "Mister Rogers," I didn't need to do much research to find out whether Rogers was a father of his own children or not, because this "father" was one of the greatest to each and every child who got in front of the TV to watch Rogers' PBS show, "Mister Rogers' Neighborhood." Called kind, gentle, good, and decent, Rogers impacted generations of young children in all the right and loving ways! 😊</p>	<p><b><u>RYAN O'NEAL</u></b>: It might only be a "paper moon," but in reality, this actor/father knocked the teeth out of son Griffin's head (he shot at Griffin once, too). And with O'Neal's Oscar-winning daughter, Tatum, he made her snort cocaine so she'd lose weight and when a depressed Tatum tried to slit her wrists, O'Neal simply told her she'd cut the wrong way! Unlike Tatum, Ryan never won an Oscar, and I'm kinda glad about that! 😊</p>
