TESTIMONIALS

"I was able to call Legacy's WISH Team after my wife's grandfather passed away. They helped me secure a vault for \$1,000 less than what the funeral home was going to charge. The WISH Team handled the logistics. Everything went seamlessly and Legacy was a huge help to our family."

-Carey B.

"I ordered a casket, double headstone, and a vault from Legacy Assurance and saved \$3,000 on the casket alone! The WISH Team was very helpful when I needed them. They made sure that everything went the way it needed to so I was able to focus on family instead of focusing on arrangements. Legacy Assurance is there for families in their crucial time of need."

-Billy P.

"I just don't think I could have done all of this on my own. I was too emotional to go back and forth with the funeral home about prices. I'm so thankful for the Legacy Assurance WISH Team. I don't know what I would have done without them."
