

Dr. Kimya Nuru Dennis, Ph.D. is a community advocate, sociologist and criminologist, educator, and qualitative researcher collaborating with—and contributing to—communities, organizations, and K-12 schools and colleges-universities to improve materials, resources, and services. This includes cultural-collective-community-family health outreach, teaching and training medical and health students and professionals, job skills and economic development, cultural-collective-community-family education outreach, changing school curriculum and course materials, and conducting 6-month or annual assessments for policies and outcomes.

EDUCATION

Ph.D. 2010 Sociology, North Carolina State University
 Concentrations: Crime, deviance, and social control (criminology)
 Inequality: Class, race, and gender

Doctoral Dissertation: [Black Political and Socioeconomic Status Attainment and the Direction of Lethal Violence: Comparing the Suicide of Young Black and White Males in U.S. Counties](#)

M.S. 2003 Criminal justice, Virginia Commonwealth University
 B.A. 1999 Political science, criminal justice minor, pre-law, University of Richmond

AREAS OF SPECIALIZATION

Community advocacy
 Medical and health equity
 Suicide and suicidal self-harm
 Mental health
 Disabilities
 Police-court-penal
 K-12 curriculum and course materials
 College curriculum and course materials
 Academic program evaluations and assessments
 Policy, procedure, budget, law evaluations and assessments
