Dr. Kimya Nuru Dennis is a community advocate, sociologist and criminologist, educator, and researcher. Dr. Dennis connects with local, national, and international communities, schools, businesses, and organizations. Born and raised in the city of Richmond, Virginia, Dr. Dennis lived in North Carolina for 17 years and now lives in Baltimore, Maryland.

365 Diversity helps change policies and actions, curriculum and class materials for K-12 schools and colleges-universities. This includes changing academic programs, career training, and policies and evaluations for medical and health schools, medical and health organizations, and medical and health facilities.

Services provided are listed on the 365 Diversity website and include curriculum change sessions, policy change sessions, and assessment and evaluation sessions.

AREAS OF EXPERTISE

Community outreach-advocacy
Medical and health equity
Suicide and suicidal self-harm
Mental health and mental illness
Reduce police-courts-prison

Grant writing
K-12
Colleges and universities
School curriculum
Textbook and materials selection
Annual program evaluation and assessment
Library updates

ACADEMIC EXPERIENCE

Dr. Dennis has years as part-time faculty, full-time faculty, and part-time staff. The focus is on equity-based program creation, program evaluation, curriculum development, curriculum evaluation, library updates, and teacher hiring and teacher evaluating. Equity-based school improvements are needed despite often not required and not considered for school accreditation, school funding, and school rankings.
