

# SENECA VALLEY BOYS SOCCER

## SPONSORSHIP PROGRAM

In an effort to lower booster fees for the 2023-2024 season, we are again offering a Team Sponsorship Program. This is a great way to support the Seneca Valley Boys Soccer Program while reducing the booster fees paid by each player. This is a voluntary program. Players are not required to participate, only those looking to reduce their booster fees.

How it works :

Each player is asked to solicit sponsorships from local businesses or people. The sponsorship levels include Gold (\$225+), Silver (\$125) and Bronze (\$75). Each sponsorship reduces booster fees by 50% of the amount sponsored. For example, a \$125 sponsorship yields \$62.50 towards booster fees. If a player solicits \$225 worth of sponsorships their booster fee will be waived. Each sponsor that a player obtains remains attached to that player for the remainder of their Seneca Valley soccer career. The sponsor must renew each year, however, for the player to receive the dues reduction.

All sponsors will be recognized on the team website and during all varsity home games. Silver will also be listed in varsity home game and banquet programs. Gold level sponsors will also get their logo on the community poster, if provided in time for printing.

Payment can be collected at time of solicitation or mailed to the Boosters. Fees will be adjusted upon receipt of payment. **There will be no refunds if the season is cut short.**

Please Note: There are 3 Exclusive sponsorships :

- Myers Law Group
- Nextier Bank
- Tri-State Orthopaedics

This means that we cannot accept sponsorships from any companies in these categories.
