Rocky Mountain Fiddle Driven Folk Alternative

Stage Plot

Biography

Nordic Daughter is more than a band, we are a movement that brings music to weary souls. Through fire and water, blood, sweat and tears we have fought for the souls of the fallen, and we Valkyries are here to bring justice. Melody should enlighten and inspire souls to return to a space of love and light understanding that Valhalla only comes after the battle. Some of the lyrics will rock you to your soul. We encourage you to become all that you are meant to become in this world before we collect your spirit from the battle field.

Vikings and Valkyries you are measured by your deeds in this world, fight for all you feel is right!
