JOB DESCRIPTION

POSITION: Service Technician I - II
SALARY: \$23.99 - \$41.93 per hour; DOE
FLSA STATUS: Non-exempt
REPORTS TO: Operations Foreman
EFFECTIVE DATE: December 2025

GENERAL POSITION SUMMARY:

Experienced level position that performs various manual labor activities, equipment operation, and routine and scheduled activities in support of the operation, maintenance, repair, and construction of the public water system and related facilities. Position may also assist with the training of less experienced technicians.

ESSENTIAL DUTIES:

- Provide maintenance, repair, and/or installation of District production and distribution infrastructure (meters, valves, pipe, facilities, hydrants, etc.).
- Collect state regulatory agency water samples so that finished water meets all applicable state/federal regulations for quality and quantity.
- Respond to system emergencies as appropriate.
- Flushing of water mains and tracking water loss.
- Read water meters for utility billing.
- GIS and GPS data collection and inputting.
- Check for leaks, high/low pressure and other water service problems.
- Knowledge of SCADA and troubleshooting communication issues is desired.
- Perform maintenance activities for vehicles, hydrants, meters, mains and valves.
- Ensure adequate job-related documentation, job cost forms, time sheets, permits, and other related documentation as required to perform tasks and projects in an efficient and compliant manner.
- Perform daily rounds, customer service requests, and locating of underground infrastructure.
