

"For the Jews require a sign, and the Greeks seek after wisdom"

The foremost astronomical sign in history

"The Virgin Birth"

Signifying the Messiah

Below is usually the only part of the prophecy referenced.

*"Behold, a virgin shall conceive, and bear a son,
and shall call his name Immanuel"*

Let's look at just a little more.

¶ *"Moreover the LORD spake again unto Ahaz, saying,
Ask thee a SIGN of the LORD thy God;
ask it in **depth**, in the height above. But Ahaz said, I will
not ask, neither will I tempt the LORD. And he said,
Hear ye now, O house of David; Is it a small thing for you
to weary men, but will ye weary my God also? Therefore
the Lord himself shall give you a SIGN; **Behold**, a virgin
shall conceive, and bear a son, and shall call his name
Immanuel."*

Isaiah 7:10-14

Depth: intellectual depth [Deep] — Syn. deep, intellectual, thoughtful, soulful; see profound
2. [Firm] — Syn. solid, stable, safe; see reliable [Capable of proof]

Behold: to get knowledge or an awareness of through the **eyes**; perceive **visually**; **look at**; **view**

How many of you have just read this for the first time in your life? I was brought into this world by, the best parents in this world, as far as I'm concerned. Who also happened to be Catholic. So just like many of you, I went through the system, baptized, CCD, holy communion, confirmation,

the whole ball of wax. My parents even taught CCD and still, no one in our house had ever read Isaiah 7:10-14. It wasn't that long ago when I started to read and study the Bible, and it was over a year of study before I was pointed to this verse. I still haven't found one believer that has ever read Isaiah 7:10-14 without me showing them first. So, if you were like me, it probably was your first time too. That in itself is beyond belief.

Ahaz is a messiah **ante-type**, a person that serves as a model for one of a later period. Supporting great magnitude of Isaiah 7's "**SIGN**" is the only time in the Bible that anyone was given the opportunity to ask "**the LORD thy God**" for a **SIGN IN HEAVEN**. Therefore the **Lord himself** shall give the SIGN.

The first step:

Determine what is a SIGN in heaven.

“And God said, Let there be lights in the FIRMAMENT OF THE HEAVEN to divide the day from the night ; and LET THEM BE FOR SIGNS, and for seasons, for days, and years’”

Genesis 1:14-16

The Bible Dictionary, Tyndale *page 1143*

SIGN: 1. A VISIBLE MARK OR OBJECT intended to convey a CLEAR MESSAGE, e.g. the SUN and MOON (Gn.1:14)

...

(CLEAR: easy to see)

...Signs in heaven are quite frequently mentioned as indications of the last days (Mt. 24:30; Lk 21:11,25; Acts 2:19; Rev.12:1,3; 15:11....

The Bible Dictionary, Tyndale *page 1111*

STARS

...God's final acts of redemption and judgment are foreshadowed by ASTRONOMICAL SIGNS. The prophets and our **Lord foretell such**

SIGNS; and in **Revelation** they are prominent (Is. 13:10; Ezk. 32:7; Dn. 8:10; Joel 2:10; 3:15; Mat. 24:29; Mk. 13:25; Lk. 21:25; Rev. 6:13; 8:10-12 9:1)...

*“and great **SIGN** shall there be from
heaven...*

There will be SIGNS in the sun, MOON and stars”

Luke 21:11 -25

A **sign** will be a **CLEAR MESSAGE** that **INDICATES A FACT**, visible to the eye. A combined action using the Moon, stars, and astronomical signs viewed poetically to display knowledge of fixed time (day and year).

The next step:

What astronomical sign will be SEEN?

*“He telleth the number of the stars; he
calleth them all by their names”*

Ps 147:4

"Virgin"

refers to a young woman

The Constellation of Virgo: “the Virgin,” called “the young woman”

Symbolized by
“a woman clothed with the sun”

The Constellation of Virgo is an obvious match for the “Virgin”,
seen in heaven.

Knowing this sign is connected to the Messiah’s birth, the
question now is: what in heaven represents the Messiah?

*"It shall be **ESTABLISHED** for ever as the **MOON**,
and as a faithful witness in heaven"*

Psalms 89:35-38

MOON :

The Bible Dictionary, Tyndale (page 793)

The Moon is mentioned with the sun as a symbol of permanence (Ps. 72:5). It is quoted as a WONDER of creation (Ps. 8:3) and as marking by its behavior the COMING OF THE MESSIAH (Mk. 13:24; Lk. 21:25)

MOON: The first day of each new month was considered holy. Hence the association in the OT of the monthly " new moon"...The reference may be, however, to the new moon of the 7th month, regarding which the law stated specifically that no servile work was to be done on it (Lv.23:24-25; nu. 29:1-6). 2 Ki. 4:23 suggests that both new moon and sabbath were regarded as providing opportunity for consulting the prophets, and Ezekiel marks out the new moon as a special day of worship (Ezk. 46:1, 3).

The Moon Represents the Messiah

The astronomical sign foretold to be seen in heaven will be the constellation of “Virgo” giving birth to the “moon” signifying the Messiah. Probably the most important SIGN in the *history* of mankind. It would seem significant that the sign would occur once in the history of mankind, eliminating any dispute. Now, the question is, does this ever happen? After reviewing the above {Tyndale page 793} “new moon of the 7th month” would be appropriate.–

“Speak unto the children of Israel, saying, In the seventh month, in the first day of the month, shall

***ye have a special day to be remembered, of blowing
of trumpets”***

Le 23:24

The Watchman

Excerpt from: <http://members.aol.com/gkilli/home/>

On the New Moon of the seventh month, Tishri 1, the "Feast of
Trumpets,"

Lavanah, the moon, represents Messiah in this unique astronomical event. This particular positioning of the mazzaroth (constellation) Bethulah, the young woman (Virgo), about to give 'birth' to the moon (the Messiah), has never occurred before, and will never occur again, due to the precession of the equinoxes. Actually, if you believe that the earth is older than 26,000 years, then that is when this sign would have last occurred. If you believe that the earth will endure for another than 26,000 years, then that is when this sign will next occur. The sun is just below the horizon such that Bethulah is 'clothed' with the sun. The sun must be below the horizon in order to have any possibility of seeing this 'sign'. The moon is 'new' and after 'birth', the moon will move directly to the feet of Bethulah (Virgo, is the young woman) within 24 hours. ... Yom Teruah, The Feast of Trumpets, 5760, falls on Shabbat (Sabbath). This means that if the Temple is standing, or the altar is built, then we will be offering the following korbanot (sacrifices): The Morning sacrifice. The Shabbat (Sabbath) sacrifices. The Rosh Chodesh (New Moon) sacrifices. The Yom Teruah (Feast of Trumpets) festival sacrifices. The Evening sacrifice

The Morning sacrifice.

The Shabbat (Sabbath) sacrifices.

The Rosh Chodesh (New **Moon**) sacrifices.

The Yom Teruah (Feast of Trumpets) festival sacrifices.

The Evening sacrifice.

On this day, and this day alone
is it possible to offer all of these sacrifices!

“Do you know the laws of the heavens?”

Job 38:33

The sign in heaven happened on September 12, 1999, the New Moon of the seventh month, Tishri 1, 5760. This sign could only occur **“on this day, and this day alone,”** in the history of mankind, eliminating any dispute. Even with irrefutable facts, people still could be skeptical. God would not leave us in that position. He tells us how to ESTABLISH the truth.

**...at the mouth OF TWO WITNESSES,
or at the mouth OF THREE WITNESSES,
SHALL THE MATTER BE
ESTABLISHED.**

Deuteronomy 19:15

Like Jesus said:
***"It is also written in YOUR LAW,
that the WITNESS of TWO MEN is TRUE."***

John 8:17

Thus we must stick to the rules.

**THIS MOST IMPORTANT SIGN IN HEAVEN
MUST HAVE AT LEAST ONE MORE WITNESS FOR THE
MATTER TO BE ESTABLISHED.**

*“...will not believe thee, neither hearken to
the voice of the first sign, that they will
believe the voice of the latter sign”*

Ex 4:8

THE SECOND WITNESSES

Revelation 12:1-4

*“And there appeared a **GREAT WONDER IN HEAVEN**; a woman clothed with the sun, and the moon under her feet, and upon her head a crown of twelve stars: And she being with child cried, travailing in birth, and pained to be delivered. And there appeared another wonder in heaven; and behold a great red dragon, having seven heads and ten horns, and seven crowns upon his heads. And his tail drew the third part of the stars of heaven, and did cast them to the earth: and the dragon stood before the woman which was ready to be delivered, for to devour her child as soon as it was born.”*

We are given even more evidence confirming this day.

(Below is the beginning of the excerpt that you previously read above.)

The Watchman

A Great SIGN!

Excerpt from: <http://members.aol.com/gkilli/home/>

Revelation 12:1 has fascinated Bible scholars for many years. A few years ago, I was examining the stars in the heaven with an astronomy software program which allows me to simulate what the stars will look like at any day, at any time, and at any place. I set the date for Yom Teruah, the Feast of Trumpets, **September 12, 1999**. I set the place to be Jerusalem, and I set the time to be just after sunset. The following picture was presented to me:

(PICTURE CAN BE SEEN AT WEB SITE LISTED ABOVE)

Revelation 12:1-5 "A great and wondrous sign appeared in heaven: a woman clothed with the sun, with the moon under her feet and a crown of twelve stars on her head. She was pregnant and cried out in pain as she was about to give birth. Then another sign appeared in heaven: an enormous red dragon with seven heads and ten horns and

seven crowns on his heads. His tail swept a third of the stars out of the sky and flung them to the earth. The dragon stood in front of the woman who was about to give birth, so that he might devour her child the moment it was born. She gave birth to a son, a male child, who will rule all the nations with an iron scepter. And her child was snatched up to God and to his throne. The woman fled into the desert to a place prepared for her by God, where she might be taken care of for 1,260 days."

When I first saw the above picture, I immediately thought of the Revelation 12 sign. This celestial picture is for Yom Teruah, The Feast of Trumpets in 1999, which is 5760 on the Biblical anno mundo scale. This sign occurs on Shabbat, the Sabbath (Friday sundown to Saturday sundown). The above picture does not show Draco, the Dragon, because it would make the picture curved and hard to relate to. If you had a larger picture you would see that Draco is poised above the woman, waiting to snatch the man-child. The moon is poised in the "birth canal" of the young woman who is lying down with her feet in the air. The word "Bethulah" is in the location where her head should be. The constellation of Coma Bernice is the crown of twelve stars above the young woman's head.

(to read end, go back up a page or two)

The second witness' additional facts are reinforcement of the already undisputable date.

The constellations mazzaroth; "crown of twelve stars" and the Dragon; "Draco."

The sign in Rev.12 was shown on TV to the Christian world on the 700 Club before it happened? One of the most astonishing facts to me, was my realization of the exact **future** date of a Bible Sign. Then add to that, the importance of this sign in the book of Revelations. Especially to the Christians, since they seem to be focused for the return of Jesus at that time. It was serendipity that I saw the program in the first place. However, I was alarmed when there was no true presence of any stimulation. Later, I exposed the information to several believers who said they were studying the Bible. Unfortunately they displayed the same unresponsive reaction as earlier. Afterward, I also found this to be foretold in the Bible.

***"Thus saith the LORD,
Learn not the way of the Gentile,***

***and be not dismayed at the SIGNS OF
HEAVEN;
for the Gentile are dismayed at them”***

What does Pope John Paul II say about Rev. 12

Excerpt from:

Pope John Paul II

1995 Encyclical Evangelium Vitae On the Value and **Inviolability** of Human Life

“A great portent appeared in heaven, a woman clothed with the sun” (Rev 12:1):the motherhood of Mary and of the Church

103. The MUTUAL RELATIONSHIP between the MYSTERY of the CHURCH and MARY APPEARS CLEARLY in the “GREAT PORTENT” described in the Book of Revelation: “A great portent appeared in heaven, a woman clothed with the sun, with the MOON under her feet, and on her head a crown of twelve stars” (12:1). In this sign the Church RECOGNIZES an IMAGE of her own MYSTERY: PRESENT in HISTORY , she knows that she transcends history, inasmuch as she constitutes on earth the “seed and beginning” of the **KINGDOM OF GOD**. The Church SEES this **MYSTERY** FULFILLED in COMPLETE and EXEMPLARY fashion in MARY. She is the woman of glory in whom God’s plan could be carried out with supreme perfection...

The “WOMAN CLOTHED WITH THE SUN” the Book of Revelation tells us “was with child” (12:2). **THE CHURCH IS FULLY AWARE** that **SHE BEARS WITHIN HERSELF** the Saviour of the world, **Christ the Lord**

He knows exactly what he said. Do you?
You should read the whole thing with a good dictionary nearby.

“**Christ the Lord**” Spelled this way only one time in Bible?

“*For unto you is born **THIS DAY** in the **CITY OF DAVID**
a Saviour,
which is **Christ the Lord**.”*
Lu 2:11

THIS DAY, it doesn’t say “today” (*at that present time*). If talking to someone on Dec. 7th
(any year), you could say, on THIS DAY Pearl Harbor was bombed.

*“Yet it was determined by astronomy and other sources,including
Holy Scriptures,
and thus could not err. If I had wanted to date each quatrain, I
could have done so.
But this would not have been agreeable to all, least of all to those
interpreting them”*

Let's look at Michael's world renowned Quatrain.

Quatrain: 10:72.

*"In the year 1999, and the seventh months,
from the sky will come the Great King of Terror.
He will bring back to life the great king of the Mongols.
Before and after War reigns happily*

Interpretation by Erika Cheetham

Above is one of the most common interpretations. I find it amusing that since 1999 is over, I don't hear too many people debating this anymore. I

recently watched a program on TV, “Nostradamus 500 Years Later.” It did not even mention Quatrain 10:72. What happened? They know it said 1999, so I'll assume they didn't bring it up for that exact reason. Especially if you believed in 1999, from the sky a king of terror would bring back to life the king of the Mongols. I missed that event too! This is the problem! We just go along with “*those interpreting,*” and if they’re wrong we discredit **Michael**, not them. Some say **Michael** is a fraud and take his Quatrains in **VAIN**. This too will come to an end. One of the biggest controversies over this Quatrain 10:72 before 1999 was what month was being referred to, July or September? As you will SEE, this should never have been debated in the first place. The very first word in the quatrain is “**mil**”, which means one thousand, used for the *first* thousand in dates of the **Christian era only** (Heath’s French and English Dictionary 1903, page 359). With that knowledge, as you will SEE, brings to light “**THIS DAY**,” out of the obscurity of the clouds.

Michael

*...“despite your young brain, understand that events can be foretold naturally by the heavenly bodies and by the spirit of prophecy: ...For according to the celestial signs, the Golden Age shall return, and after all calculations, with the world near to an all-encompassing revolution... which shall become free where they had previously been tied. **This will be after the VISIBLE JUDGMENT OF HEAVEN, before we arrive at the millennium which shall complete all.**”*

I hope that after examination of Isa. 7 and Rev. 12 the above, written by **Michael**, makes more sense.

*The divine word described distinctly in heaven
That is impossible to be fulfilled before or again
The reserved secret nullifies any prior claim
This by itself overwhelmingly defeats the earlier*

Michael 2:27

Michael

Quatrain: 10:72

***"On September 12, 1999
a sign of a great king appeared in
heaven"***

lines 1-2

Before we ESTABLISH the above translation of lines 1 and 2 of Quatrain 10:72, let's look at some other views of this quatrain.

Below are some views by Peter Lorie . "NOSTRADAMUS" The Millenmniun & Beyond"
page 160-3.

He believes that Century 10:72, line 3 could be translated "Great King of Angouleme" for the attitudes of King France 1 in his battles with the Church, to a Great King that will be seen in the sky, who would deal the final blow to the Catholic Church.

"The modern Catholic Church still maintains the same religious trappings that it did in Nostradamus' time. ...Throughout its relatively short career, the Catholic Church has caused more grief, death and destruction than any other organized religion in the history of mankind. Nostradamus and astrology indicate that a major transformation will put an end to this before the century is out."

Astrology view: "The Aquarian Age will certainly bring change and in particular a new vision of godliness that will have less to do with BLIND BELIEF and MIRACLES and more to do with ANALYTICAL AND OBJECTIVE REASONING.

He goes on to say how things don't look so good for Vatican City. He also says what is judged by the Church as "unnatural" behavior of HOMOSEXUALS within and outside the Church itself, will escalate into a major upheaval during the last year of the millennium according to Nostradamus. (Copyright 1993)

He feels line 2 could be translated “from the sky will come a great king of ALARM.” And, also feels line 3 could be translated “to bring back to life the Great King of Angouleme.” He also refers to a planetary configurations which distinguish September 1999. And we might see his prediction as a long-term confirmation of the event, the entry of the Christ into the spiritual realm contiguous to the physical plane.

*“For although they are written under a CLOUD, the meanings will be understood.
When the time comes for the removal of ignorance, the event will be cleared up still more.”*

In 1520 Francis tried to secure the support of King Henry VIII of England against the emperor in the interview on the Field of the Cloth of Gold.

Above is who Peter Lorie was referring to as “Great King of Angouleme” for the attitudes of King France I, in his battles with the Church, to a Great King that will be seen in the sky, who would deal the final blow to the Catholic Church. If *Michael* is referring to Francis of Angoulême as an ante-type figure for his battles with the Church. Why him? There are others *Michael* could have chosen for this ante-type. What makes Francis I different from the others? Is *Michael* telling us that the spiritual rebirth seen in heaven has a connection with the birth of Francis I?

PLANET ALERT By Mahala
September 1999 & October 1999

This is the month of Virgo, the Virgin, or the Goddess energy. The eclipse has passed and we're moving on to the harvest festival. The Egyptian Festival of Light falls on September 13-14 this year. This was an ancient festival honoring the mother goddess. The planet Venus is consider the planet of love or the Goddess energy and rules relationships. This planet went **retrograde** at the time of the lunar eclipse on July 28, and moves **direct on September 13**.

It's not very often that Venus goes retrograde, so this marks an [auspicious](#) time period.

([auspicious](#) :favored by
fortune, lucky; fortunate)

....The Sun was on 18 degrees Leo at this last eclipse. This is the degree of rebellion against existing conditions and gives the ability to change things. The power of this degree comes from serenity and poise. My degree book says: " If there is a degree from which will be born a Son of God, this must be the degree." ...

On September 13 the planet Venus will turn direct on 18 degrees Leo. We have until that day to integrate the solar eclipse energy.

...This eclipse was seen at the Vatican. This foretells a change in the Catholic Church. Especially because the comet Hale Bopp was visible over Italy at the time of this eclipse? ...Venus and Mars are also the dominant planets for this Mayan year that started on July 26...

from October 1999 |

....This is a Mars/Pluto aspect. On Monday and Tuesday, September 13-14, the planet Mars was conjunct Pluto, which is very fiery, explosive and dangerous. The moon was in Scorpio on those two days, which affects the west coast,...

Then the moon moved into Sagittarius and activated the Mars/Pluto ... In that conjunction, Mars added energy to Pluto and caused much flooding. The Jewish New Year began at Sundown on September 11 in Israel. This is their new year celebration and is called Rosh Hashanah. It lasts for 24 hours and then they move into their ten high holy days which ends with Yom Kippur. On the night of September 12 & 13, a major sign occurred in the heavens over Israel and Egypt. Israel was celebrating their holiday and Egypt was observing their Festival of Light.

This is the first time in 26,000 years that this particular sign has appeared in our heavens. It is the sign of the woman Virgo, the virgin, giving birth to the Christ child. She is seen with a crown of twelve stars over her head and the dragon is poised to devour her child as it is born. She is clothed with the Sun and the moon is at her feet. On September 12, the moon was in the position of the birth

..." This is very interesting because on September 12 and 13 the planet Venus, which is considered the woman goddess, was dominant in our heavens. This planet turned direct as the sign of the woman was in our heavens. Venus was on 18 degrees Leo, which is where the Sun was on the August 11th eclipse. This degree means the birth of a Christ being or Christ energy. In other words, the Earth is now experiencing a new energy. This energy is of a very high vibration and those who can vibrate to that frequency will start to experience joy in their life no matter what goes on around them. Those who are unbalanced will experience chaos. ...

..."Now war arose in heaven, Michael and his angels fought against the dragon (negative reptilians). They were defeated and there was no longer any place for them in heaven. The Devil or Satan was thrown down to Earth and his angels were with him." This is when the negative beings took control of Earth. The war is over in our solar system; now it is being fought in our local heavens...

September 13, 1999: After approaching one another for months, Mars will pass just north of the bright red star Antares on Wednesday. Separated by less than 3 degrees, the two will resemble a pair of red embers smoldering above the southern horizon
