

VL110

The Portable Wireless POS Solution

Empower your growing enterprise with the VL110 POS terminal, delivering unmatched convenience right at your fingertips.

Benefits

➤ User-friendly and Intuitive Experience

Enjoy a user-friendly experience with a handheld, spacious touchscreen display on our intuitive interface with a digital signature capture feature with print, SMS, or email receipt options.

➤ Secure and Convenient Contactless Payments

Embrace the future of payments with advanced EMV card technology, providing choices from swipe, tap, and dip card payment options, accompanied by a secure digital signature capture feature, making payments both safe and convenient.

➤ Payment Convenience and Pricing Flexibility

Merchants benefit from a range of pricing choices, including Dual Pricing for prompt payments all while ensuring transparency through comprehensive transaction displays accessible anytime, anywhere.

➤ Advanced Technological Expertise

Utilize cutting-edge technology for flexible transaction processing with dual merchant IDs (MIDs), uninterrupted service with the auto-connection fallback procedure, and enhanced GPRS/4G and Wi-Fi options, ensuring secure and reliable services.
