OF

THE SUMMER LAKE SUBDIVISION HOMEOWNERS ASSOCIATION, INC.

DEPUTY CLERK
SLIPPR002

Article 1

Name, Membership, Applicability and Definitions

1.1 Name. The name of the corporation shall be The Summer Lake Subdivision Homeowners Association, Inc. (hereinafter sometimes referred to as the "Association").

1.2 Membership. The Association shall have one class of membership, as is more fully set forth in that certain Declaration of Protective Covenants, Conditions, Restrictions and Servitudes for The Summer Lake Subdivision (such Declaration, as amended, renewed, or extended from time to time, is hereinafter sometimes referred to as the "Declaration"), the terms of which pertaining to membership are specifically incorporated by reference herein.

1.3 Definitions. The words used in these Bylaws shall have the same meaning as set forth in the Declaration, unless the context shall prohibit, or the meanings given in the Louisiana Nonprofit Corporation Law (La. R.S. 12:201, *et seq.*) (The "Nonprofit Law"). Statutory references shall be construed as meaning the referenced statute or portion thereof as the same may exist from time to time.

Article 2

Association Meetings, Quorum, Voting, Proxies

2.1 Place of Meetings. Meetings of the Association shall be held at the principal office of the Association or at such other suitable place convenient to the members as may be designated by the Board of Directors, either in the Community or as convenient thereto as possible and practical.

2.2 Annual Meetings. There shall be at least one annual meeting of the members at a fixed date, place and time as the Board of Directors shall determine to receive the reports of the outgoing Board of Directors, to install directors for the ensuing year and to transact such other business as may come before the meeting.

2.3 Special Meetings. The President or the Board of Directors may call special meetings. In addition, it shall be the duty of the Secretary to call a special meeting of the Association upon the delivery of a petition signed and dated by members entitled to cast at least a majority of the Total Association Vote and describing the purpose or purposes for which it is to be held. Upon receipt of a petition to call a special meeting, the Secretary must set a date for the special meeting not less than ten (10) or more than sixty (60) days after receipt of the petition. If the Secretary neglects or refuses to issue the call, the person making the request may do so at any meeting of members. The notice of any special meeting shall state the date, time, and place of such meeting and the purpose(s) thereof. No business shall be transacted at a special meeting, except those matters that are within the purpose or purposes described in the notice.

2.4 Record Date. The Board of Directors shall fix in advance a record date for a determination of

members entitled to notice of and to vote at any meeting of members or any adjournment thereof, or to make a determination of members for any other purpose, such date to be not more than seventy (70) days before the date on which the particular action requiring such determination of members is to be taken.

2.5 Notice of Meetings. It shall be the duty of the Secretary or such other agent as the Association may designate to mail or to cause to be delivered to each member (as shown in the records of the Association as of the record date) a written notice of each annual or special meeting of the Association stating the date, time and place where it is to be held and if and to the extent required by the Nonprofit Law or other applicable law (the "Governing Law"), the purpose(s) thereof. Such notice shall be delivered personally or sent by United States mail, postage prepaid, statutory overnight delivery, or sent by electronic transmission in accordance with the Nonprofit Law to all members of record at the address shown in the Association's current records. If an Owner wishes notice to be given at an address other than the Lot, the Owner shall designate by notice in writing to the Secretary such other address. Notices shall be mailed or delivered not less than ten (10) days in advance of any annual, regularly scheduled or special meeting (or if notice is mailed by other than first-class or registered mail, thirty (30) days) nor more than sixty (60) days before the meeting. If any meeting of the members is adjourned to a different date, time or place, notice need not be given of the new date, time or place, if the new date, time or place is announced at the meeting before adjournment. If, however, a new record date is or must be fixed under the Governing Law notice of the adjourned meeting shall be given to persons who are members of record as of the new record date.

In the event there occurs the accidental destruction or accidental loss of corporate records, or other similar exigency, if the corporation is unable to give notice of a meeting to its members at their last known addresses, notice shall be given by advertisement at least thirty (30) days prior to the meeting and again twice within thirty days of the meeting, in a daily paper published in the parish in which the corporation is domiciled, if such a paper exists, or for four (4) consecutive weeks prior to the meeting in a weekly paper published in the parish in which the corporation is domiciled. In the absence of a daily or weekly paper, notice shall be given by posting the notice in the principal meeting place of the corporation, or at the parish courthouse door in the absence of such a meeting place.

2.6 Waiver of Notice. Waiver of notice of a meeting of the members shall be deemed the equivalent of proper notice. Any member may, in writing or by facsimile transmission signed by the member entitled to notice and delivered to the Association for inclusion in the minutes for filing with the Association's records, waive notice of any meeting of the members, either before or after such meeting. Attendance at a meeting by a member, whether in person or by proxy, shall be deemed waiver by such member of lack of notice or defective notice, unless such member specifically objects to lack of proper notice at the time the meeting is called to order.

2.7 Adjournment of Meetings. If any meeting of the Association cannot be held because a quorum is not present, a majority of the members who are present at such meeting, may adjourn the meeting to a time not less than five (5) nor more than thirty (30) days from the time the original meeting was called; provided however, any meeting at which directors are to be elected shall be adjourned only from day to day until such directors have been elected. At such adjourned meeting at which a quorum is present, any business which might have been transacted at the meeting originally called may be transacted without further notice. In the case of any meeting called for the election of directors, those who attend the second of such meeting previously adjourned due to lack of a quorum, shall constitute a quorum for the purpose of electing directors. In the case of a second meeting called after the lack of a quorum for a purpose other than or in addition to the election of directors, including amendment of the articles of incorporation or dissolution of the corporation, any number of members present shall constitute a quorum.

2.8 Membership List. After the record date for any meeting is established by the Board of Directors, the Secretary shall prepare an alphabetical list of the names and addresses of all of the members who are entitled to notice of the meeting. Beginning at least two (2) business days after notice is given of the meeting for which the

list was prepared, the list of members shall be available for inspection by any member or a member's agent or attorney: (1) on a reasonably accessible electronic network, provided that the information required to gain access to such list is provided with the notice of the meeting or upon request; or (2) during ordinary business hours at the Association's principal office or at such other reasonable place as may be specified in the notice in the city where the meeting will be held. In the event that the Association makes the list available on an electronic network, the Association may take reasonable steps to ensure that such information is available only to members of the Association. In addition, the list shall be available for inspection at the meeting or any adjournment thereof

2.9 Voting. The voting rights of the members shall be as set forth in the Articles of Incorporation and the Declaration, and such voting rights are specifically incorporated herein.

2.10 Quorum. The presence, in person of members entitled to cast at least a majority of the votes entitled to be cast at the meeting shall constitute a quorum at all meetings of the Association. The members present at a duly called or held meeting at which a quorum is present may continue to do business until adjournment, notwithstanding the withdrawal of enough members to leave less than a quorum.

2.11 Action Without A Formal Meeting. Any action required or permitted to be approved by the members may be approved without a meeting if one (1) or more consents, in writing or by facsimile transmission, setting forth the action so taken, shall be signed, either personally or by a facsimile transmission, and dated by the percentage of members entitled to vote on the particular matter and holding the voting power required to pass such action at a meeting held on the record date for such action. The record date for such action shall be the date that the first member signs a consent. Such action shall be approved when the Secretary receives a sufficient number of such consents dated within seventy (70) days of the record date for such action. If less than unanimous consent is obtained, the approval shall be effective ten (10) days after the Secretary gives written notice of the approval to all members who did not sign a consent. Each consent in writing or by facsimile transmission shall be included in the minutes of meetings of members filed in the permanent records of the Association. No consent in writing or by facsimile transmission shall be valid unless: (1) the consenting member has been furnished the same material that, pursuant to the Nonprofit Law, would have been required to be sent to members in a notice of a meeting at which the proposed action would have been submitted to the members for action; or (2) the written consent contains an express waiver of the right to receive the material otherwise required to be furnished.

2.12 Action By Written Ballot. Any action that may be taken at any annual, regular or special meeting of members may be taken without a meeting if approved by ballot in writing or by facsimile transmission as provided herein. The Association shall deliver a ballot in writing or by electronic transmission to each member entitled to vote on the matter. The ballot in writing or by electronic transmission shall set forth each proposed action and provide an opportunity to vote for or against each proposed action. All solicitations for votes by ballot in writing or electronic transmission shall indicate the number of responses needed to meet the quorum requirements; state the percentage of approvals necessary to approve each matter other than election of directors; and specify the time by which a ballot must be received by the Association in order to be counted. A timely ballot in writing or by facsimile transmission received by the Association may not be revoked. Approval by ballot in writing or by facsimile transmission of an action shall only be valid when the number of votes cast by ballot equals or exceeds the quorum required to be present at a meeting held to authorize such action and the number of approvals equals or exceeds the number of votes that would be required to approve the matter at a meeting at which the total number of votes cast was the same as the number of votes cast by ballot. The results of each action by ballot in writing or by facsimile transmission shall be certified by the Secretary and shall be included in the minutes of meetings of members filed in the permanent records of the Association.

Article 3

3.1 Governing Body: Composition. The affairs of the Association shall be governed by a Board of Directors. Directors shall be natural persons who are eighteen (18) years of age or older. Each director must reside in the Community and be a member or the spouse of a member; provided, however, no Person may serve

All candidates shall have a reasonable opportunity to communicate their qualifications to the members and to solicit votes.

3.4 Election and Term of Office. The Association shall call a special meeting (or take action under Section 2.12 or Section 2.13 in lieu of a meeting) and the members shall elect three or five directors as follows: the initial term of two (2) directors (or three (3) directors in the event the total number of directors is five) shall be fixed at two (2) years, and thereafter successors shall be elected to a term of two (2) years; the initial term of one (1) director (or two (2) directors in the event the total number of directors is five) shall be fixed at one (1) year, and thereafter successors shall be elected to a term of two (2) years. All eligible members of the Association shall vote on all directors to be elected, and the candidates receiving the most votes shall be elected.

3.5 Removal of Directors. At any annual, regular or special meeting of the Association, any one (1) or more of the members of the Board of Directors elected by the members may be removed, with or without cause, by a majority of the Total Association Vote and a successor may then and there be elected to fill the vacancy thus created. The notice of the meeting shall state that the purpose, or one of the purposes, of the meeting is removal of a director. A director whose removal by the members has been proposed shall be given an opportunity to be heard at the meeting. Additionally, any director who has three (3) consecutive unexcused absences from Board meetings or who is delinquent in the payment of an assessment for more than thirty (30) days may be removed by a majority vote of the remaining directors.

3.6 Vacancies. Vacancies in the Board of Directors caused by any reason, excluding the removal of a director by vote of the Association, shall be filled by a vote of the majority of the remaining directors. Each Person so selected shall serve the unexpired portion of the term.

3.7 Organization Meetings. The first meeting of a newly elected Board of Directors shall be held within ten (10) days after the election at such time and place as the directors may conveniently assemble.

3.8 Regular Meetings. Regular meetings of the Board of Directors may be held at such time and place as shall be determined from time to time by the Board, at least four (4) such meetings shall be held during each fiscal year with at least one (1) per quarter. Notice of the regular schedule shall constitute sufficient notice of such meetings.

3.9 Special Meetings. Special meetings of the Board of Directors shall be held when requested by the President, Vice President or by any two (2) directors. The notice shall specify the date, time and place of the meeting and the nature of any special business to be considered. The notice shall be given to each director by one of the following methods: (a) by personal delivery (including commercial delivery service) to such director's home or office; (b) written notice by first class mail, postage prepaid; (c) by telephone communication (including facsimile), either directly to the director or to the director's home or office; or (d) issued electronically in accordance with the Nonprofit Law, if the director has consented in writing to such method of delivery and has provided the Board with an address regarding the same. All such notices shall be given or sent to the director's address or telephone number as shown on the records of the Association. Notices sent by first class mail shall be deposited with the U.S. Postal Service at least four (4) days before the time set for the meeting. Notices given by personal delivery, electronic transmission or telephone shall be given at least two (2) days before the day set for

the meeting.

3.10 Waiver of Notice. The business transacted at any meeting of the Board of Directors, however called and noticed or wherever held, shall be as valid as though taken at a meeting duly held after regular call and notice, if (a) a quorum is present, and (b) either before or after the meeting, each of the directors not present signs a written waiver of notice, a consent to holding the meeting, or an approval of the minutes either in writing or by facsimile transmission which is included in the minutes or filed with the official records of the Association. The waiver of notice or consent need not specify the purpose of the meeting. Notice of a meeting shall also be deemed given to any director who attends the meeting without protesting before or at its commencement about the lack of adequate notice.

3.11 Quorum of Board of Directors. At all meetings of the Board of Directors, a majority of the directors shall constitute a quorum for the transaction of business, and the votes of a majority of the directors present at a meeting at which a quorum is present shall constitute the decision of the Board of Directors.

3.12 Compensation. No director shall receive any compensation from the Association for acting as such.

3.13 Open Meetings. All meetings of the Board shall be open to all members, but members other than directors may not participate in any discussion or deliberation unless expressly so authorized by the Board.

3.14 Executive Session. The Board may adjourn a meeting and reconvene in executive session to discuss and vote upon personnel matters, litigation in which the Association is or may become involved, and orders of business of a similar nature. The nature of any and all business to be considered in executive session shall first be announced in open session.

3.15 Action Without A Formal Meeting. Any action required or permitted to be taken at a meeting of the directors may be taken without a meeting if one or more consents, in writing or by facsimile transmission, setting forth the action so taken, shall be signed by a majority of the directors and delivered to the Association for inclusion in the minutes for filing in the corporate records.

3.16 Telephonic Participation. One or more directors may participate in and vote during any meeting of the Board by telephone conference call or any other means of communication by which all directors participating may simultaneously hear each other during the meeting. Any such meeting at which a quorum participates shall constitute a meeting of the Board.

3.17 Powers. The Board of Directors shall be responsible for the affairs of the Association and shall have all of the powers and duties necessary for the administration of the Association's affairs and, as provided by law, may do all acts and things as are not by law, the Declaration, the Articles of Incorporation of the Association, or these Bylaws directed to be done and exercised by the members. (j) keeping books with detailed accounts of the receipts and expenditures of the Association and the actions thereof, and specifying the maintenance and repair expenses and any other expenses incurred; and

3.18 Management Agent. The Board of Directors may employ for the Association a professional management agent or agents at a compensation established by the Board of Directors to perform such duties and services as the Board of Directors shall authorize. The term of any management agreement shall not exceed one (1) year and shall be subject to termination by either party, without cause and without penalty, upon ninety (90) days' written notice.

3.19 Borrowing. The Board of Directors shall have the power to borrow money without the approval of the members of the Association; provided, however, except as otherwise provided in the Declaration, the Board shall obtain membership approval in the same manner as for special assessments, in the event that the total amount of such borrowing exceeds or would exceed ten percent (10%) of the annual budget of the Association.

3.20 Fining Procedure. The Board shall not impose a fine (a late charge shall not constitute a fine) unless and until the following procedure is followed:

(a) Written notice shall be delivered to the member by first-class or certified mail sent to the address of the member shown on the Association's records, specifying:

(1) the nature of the violation, the fine to be imposed and the date, not less than ten (10) days or, in the event of an unapproved sign, twenty-four (24) hours, from the date of the notice, that the fine will take effect;

(b) If a hearing is requested, it shall be held before the Board in executive session, and the violator shall be given a reasonable opportunity to be heard. The minutes of the meeting shall contain a written statement of the results of the hearing. No fine shall be imposed prior to the date that is five (5) days after the date of the hearing.

Acceptable technological means of creating an electronic transmission may include, without limitation, electronic communication over the internet, the community or other network, whether by direct connection, internet, telecopier or e-mail. An electronic transmission which is permitted hereunder and transmitted by a member that evidences a member's consent or approval on a ballot, requests or demands an action to be taken by the Association, or provides notice to the Association under these Bylaws or the Declaration, including, without limitation, a facsimile transmission, shall be deemed to be written, signed, and dated for the purposes of these Bylaws and the Declaration, provided that any such electronic transmission sets forth or is delivered with information from which the Association can determine: (1) that the electronic transmission was transmitted by the member and (2) the date on which such member transmitted such electronic transmission. (b) **Verification and Liability for Falsification.** The Board of Directors may require reasonable verification of any electronic signature, document, record or instrument. Pending verification, the Board of Directors may refuse to accept any electronic signature, document, record or instrument which, in the sole discretion of the Board of Directors, is not clearly authentic. Any member or Person who negligently, recklessly or intentionally submits any falsified electronic document or

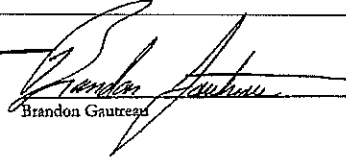

unauthorized electronic signature shall fully indemnify the Association for actual damages, reasonable attorneys' fees and expenses incurred as a result of such act(s).

(c) Non-technology Alternatives. If any Owner, Occupant or third party does not have the capability or desire to conduct business using electronic or other technological means, the Association shall make reasonable accommodation, at its expense, for such person to conduct business with the Association without use of such electronic or other means until such means has become generally (if not universally) accepted in similar projects in the area.
