LEADERSHIP & EXPERTISE

CONSTANCE HALL, MSN, FNP-C

With over 38 years in clinical medicine, Constance brings a level of discernment, safety, and aesthetic mastery that defines Safe Lift Passage.

Through decades of experience – including 30 years alongside a U.S. head and neck reconstructive surgeon – she developed an advanced understanding of surgical technique, anatomy, and what truly delivers an exceptional outcome.

Her experience lies not only in aesthetics, but in the critical evaluation and selection of surgeons, ensuring every provider meets the highest standards of safety, precision, and integrity.

JONI DENNIS

Co-Founder & Director of Client Experience

Joni brings over 25 years of high-end international hospitality experience as a private yacht chef and lifestyle curator.

Her experience lies in anticipating needs before they arise – a skill that translates seamlessly into surgical travel where comfort, timing, and emotional support matter deeply.

She ensures each client experience is seamless, refined, and fully supported from arrival through recovery.

JEYHUN “JACK” SHANAZAROV

Medical Interpreter & International Coordinator

Jack is the bridge between two worlds.

Fluent in multiple languages – including English, Russian, Turkish and more – he ensures seamless communication between patients and medical teams.

With a background in healthcare interpretation, hospitality, and international coordination, he maintains clarity, trust, and efficiency at every stage.

He oversees real-time medical interpretation, coordination with surgeons and hospitals, and on-the-ground logistics in Istanbul.

His presence eliminates confusion – allowing patients to feel fully understood, confident, and supported throughout their journey.
