ABOUT US

Influenced by the best of Key West and New Orleans, we hope to bring the best music, incredible casual fresh food, and a vibe that says you may not be able to get to Key West or NOLA, but this is the next thing. Our saying, "If it ain't fun, we ain't doing it," is reflected in our approach to The Wharf. My father once told me that we don't get weeks off at a time, and going out for only one night at a time should always feel like a mini-vacation. If the food, the service, the music, and the vibe are not right, it is not like a vacation. We strive to make you feel like you are on a vacation one day at a time. Come on down to The Wharf when you need a break; we will do our best to make you feel like you're on vacation.
