MISSION: Establish and model transformative philanthropy as a vehicle to support and respond to needs of the black community.

GOALS:

- Transform outdated assumptions about philanthropy and build synergy around giving by increasing the power of giving with a collective.
- Use philanthropy to educate and foster legacy building for our financial resources, by creating opportunities to give, be involved and create a greater impact in the black community.
- Strategically direct charitable dollars for change in the Houston community.

FOCUS AREAS: Arts & Culture, Education, Health & Wellness, Public Policy & Research

GRANTS TO DATE: **2017:** \$2500 Blue Triangle Community Center (Biggers Mural Restoration)
