ESTABLISHED 1932

September 8, 2026– 6:00 PM to 8:00 PM

**Meeting Place: Waterford Township Library,
5168 Civic Center Drive. Waterford Township, MI 48329

Greetings everyone, another month has flown by have you gotten your Pumpkin Spiced Latte yet? 😊 Fall is coming fast; kids are back in school and I think I have seen a few trees with their leaves turning colors already.

I have some exciting news!!!!

Yes, construction has been completed at the library, and we can now move back into our old/new meeting room. Yes, finally some much needed elbow room! For our Tuesday, September 8th meeting will be in the updated meeting room.

I have a very important announcement regarding the October and November stamp club meetings!!! The room has been pre-reserved by the library staff for their use on our regular meeting dates in October and November. We have to change our meeting dates for October and November to the following dates!

******Wednesday, October 14th, 2026**

****** Monday, November, 9, 2026**

Unfortunately the Library only permits reservations for future dates 90 days ahead of time so we are not yet able to reserve our regular “second Tuesday of the month” dates for December and beyond. We will do everything we can to make that happen but we are at the mercy of the Library.

I will send reminders for October and November, but please mark your calendars so you do not forget and show up at the wrong day.

We need you!

We are looking for anyone who would like to give a stamp presentation or educate us on stamp information, so please if you have some interesting stamp stories, experiences, or history to share we would love to hear from you.
