

OUR CAUSE

LJ's Wings was established in honor of our son, LJ, an amazing child with a big heart, and an even bigger smile! LJ's Wings strives to build awareness and support for LJ and others dealing with the rare diagnosis known as Angelman Syndrome.

We fight to get supportive legislation passed, to make special needs aids and financial assistance more attainable, and to support the Angelman Syndrome community as a whole. Angelman Syndrome (AS) is a rare neuro-genetic disorder that occurs once in 15,000 live births, or 500,000 people worldwide.

Sometimes, even angels need help to fly.
