

Outer Banks K9 Resort
Vaccination & Preventative Requirements

Dogs must be current on all required vaccinations and show proof from their veterinarian prior to boarding. All Dogs must be in good general health.

1. **Rabies**- 1 year or 3 year vaccine
2. **DHPP** Canine Distemper, Hepatitis, Parvovirus & Parainfluenza
3. **Bordetella**- required every 6 months

Flea, Tick & Heartworm Prevention

Dogs are also recommended to be on monthly (every 30 days) flea/tick and heartworm prevention. Please follow your veterinarian's recommendations.

Please make sure all vaccinations and preventives are current prior to your dog's stay.
