## Capabilities Statement

### Introduction

Double M Services LLC offers a wide range of services. Specializing in debris removal, recycling, transport, and disaster response. Double M offers the removal and transport of rail ties, utility poles, storm debris, and bulk trash. The company operates in the lower 48 states.

As the Owner/Operations Manager, Melissa Maxwell's specialties are marketing the services available through Double M Services, LLC, securing, planning, and overseeing projects. She has established relationships with teaming partnerships for the more complex opportunities. As the operations manager, I maintain the daily schedules, the accounting systems, and the staffing of qualified and skilled grapple truck operators, ensuring smooth daily operations.
