Kingston, Ontario
K7M 1B9

GENERAL INSTRUCTIONS AND CONDITIONS OF CONTRACT

1. It is intended that this call will result in contractors being awarded "As and When requested" contracts for Kingston & Frontenac Housing Corporation residential units for the period **starting January 1, 2021 and ending December 31, 2021**. There shall be an option to renew contract for 2 additional 1 year terms if mutually agreed to.
2. As and when required, contracts shall be awarded to pre-qualified contractors on the basis of rates as per Appendix C and will be required to accept these rates and satisfy the Kingston & Frontenac Housing Corporation that they have the experience and ability to accomplish the service required.
3. A signed submission shall indicate that the schedule of unit rates contained in Appendix C affords the contractor sufficient remuneration to complete the work allotted to him in accordance with the Conditions of Contract, and Specifications.
4. Appendices C and D and the Contractor's Submission Form must be signed. Failure to return Appendices C and D and the Contractor's Submission Form will result in disqualification.
5. The amount payable to the contractor under the contract will not be increased or decreased by reason of any increase or decrease in the cost of work brought about by an increase or decrease in the cost of plant Labour, Materials, Taxes or the Wage Rates set out and prescribed herein.
6. All calls by Kingston & Frontenac Housing Corporation to the contractor shall be responded to by telephone within **15 minutes** by a company representative with the authority to accept and schedule work. Failure to do so may result in removal from the Rotational, Pre-Qualified List.
7. Contractors shall be required to commence work at any time within twenty-four (24) hours of a telephone instruction to proceed with such work. Work which Kingston & Frontenac Housing Corporation designates as an emergency shall commence within two (2) hours of a call for such work. Failure to do so may result in removal from the Rotational, Pre-Qualified List. All requests shall be followed by a written Purchase Order (PO).
8. Contractors will indicate on the Contractor's Submission Form if they are willing to undertake work in all areas listed in Appendix A.
9. It is understood that any one or more contractors may be utilized for maintenance in the same area, and such other areas as may be added from time to time during the term of the contract.
10. All work performed by the Contractor shall be completed to the satisfaction of Kingston & Frontenac Housing Corporation. Failure to provide and maintain a standard of service and workmanship acceptable to the Director of Assets & Development, Kingston & Frontenac Housing Corporation or their authorized delegate will result in the contractor receiving no further allocation of work immediately following the period in which the unsatisfactory work was carried out and render the Contractor, at the discretion of Kingston & Frontenac Housing Corporation liable to removal from the Rotational, Pre-qualified List, in which case, any securities will be returned, less any expenses incurred.

11. The Contractor must keep in force for the duration of the contract Public Liability and Property Damage Insurance in an amount not less than \$2,000,000. Without limiting the foregoing, such Insurance Coverage shall include Comprehensive General Liability; Contractual Liability; Personal Injury; and Contingent Liability with respect to Sub-Contractors. Submit proof of same in the form of an Insurance Certificate which lists Kingston & Frontenac Housing Corporation as an additional insured but only with respect to the operations of the named insured. Such Insurance Certificate must contain a firm undertaking to give the Owner thirty (30) days' notice prior to any cancellation.
12. The final payment for any individual unit does not relieve the contractor from responsibility for faulty materials or workmanship which appear within a period of 90 days from the date of final completion of the work. Any defects shall be remitted at their own expense.
13. It is understood that persons employed on the work shall be fully qualified personnel, who shall hold appropriate licences and shall be paid by Contractors not less frequently than semi-monthly in accordance with the current Province of Ontario Fair Wage Scale as amended during the course of the work in the location of the site of the work. The contractor shall ascertain the applicable fair wage in accordance with the attached Scale. The Public Works Creditors Payment Act RSO 1970, and any amendments thereto, applies to the Performance of this Contract, and Kingston & Frontenac Housing Corporation has all the rights and powers set out herein. The Contractor shall certify on all accounts rendered for payment of money under this contract that he has complied with the provisions of this clause to the following effect; I/We certify that all workmen employed on the within job have been paid in accordance with the current Fair Wage Scale and all other creditors to the work have been paid as required by the Public Works Creditors payment act.
14. The Contractor will submit evidence of compliance with all the requirements of the Workplace Safety & Insurance Board (WSIB) of Ontario, including payments due thereunder and an appropriate certificate is to be supplied.
15. The Contractor will indemnify and save harmless Kingston & Frontenac Housing Corporation and its officers and agents from all claims relating to labour and materials furnished for the work, and from and against all claims, demands, losses, costs, damages, actions, suites or proceedings by whomsoever made, brought or prosecuted in any manner based upon, arising out of, related to, occasioned by or attributed to the activities of the Contractor in executing the work under the Contract or to an infringement or an alleged infringement by the Contract of a patent of invention.
16. All work, material and products, their method and timing of installation, manufacture, formulation or construction which I/We submit or propose in this submission will comply with the Specification attached and will not be changed without the written consent of the Director of Assets & Development, Kingston & Frontenac Housing Corporation. Failure of any work material product or method of timing to meet the Specification shall be sufficient reason for the Kingston & Frontenac Housing Corporation to order suspension of all work until it is satisfactorily proved by the Supplier or Contractor that the Specifications are being complied with. If satisfactory proof is not established within seven days, Kingston & Frontenac Housing Corporation reserves the right to immediately terminate this Contract by notice in writing forwarded by prepaid registered post to the last known address of the Contractor. Further the Contractor hereby agrees to indemnify Kingston & Frontenac Housing Corporation against

any and all cost and expenses which may be incurred by reason of the Contractor using materials and/or methods of application not in accordance with the specifications hereto attached.

17. Where applicable, inspection certificates for the installation of electrical wiring and equipment, natural gas, heating boilers, etc., shall be obtained from the Federal, Provincial or Municipal Authority responsible for the issuance of same, and the Contractor agrees to obtain and deliver such certification to the Kingston & Frontenac Housing Corporation before receiving final payment.
18. In contracts, where the specifications allow materials to be charged as an extra, the amount of Harmonized Sales Tax shall be shown separately.
19. This contract may not be assigned or sublet without the written consent of the Kingston & Frontenac Housing Corporation, Director of Assets & Development.
20. The proceeds of this contract may not be assigned without written consent of the Kingston & Frontenac Housing Corporation, Director of Assets & Development or designate.
21. No work additional to this contract shall be carried out without receiving prior written authority from the Kingston & Frontenac Housing Corporation, Director of Assets & Development or designate.
22.
 - a) The Contractor shall provide all necessary permits, locates, licenses, etc., all work shall conform to all Federal, Provincial and Municipal laws and regulations.
 - b) The Contractor shall furnish all labour, material, equipment, transportation, storage of tools, trucks and any other incidentals required.
 - c) The existing sanitary services, where provided, may be used by the Contractor and his personnel.
 - d) The Contractor shall be solely responsible for loss or damage of his materials or equipment for any materials delivered to him from whatever source.

STANDING SERVICE REQUIREMENTS

1. SCOPE OF WORK

- a) Provide all labour, material, equipment and transportation necessary for maintenance as required and as specified herein;

AFTER HOURS "NO HEAT" CALLS

On a rotational basis with all contractors who are on the Kingston & Frontenac Housing Corporation list, the contractor will respond to all "no heat" call for townhouse and apartment units with either gas fired furnace units or hot water boiler systems.

The contractor shall return call to the after-hours service and the tenant who made the call within 15 minutes. The contractor shall visit the unit to complete repairs with 2 hours of the original call from the after-hours service.

HEATING REPAIRS

Repairs to gas fired, forced air furnaces, and boiler systems.

A landlord is required to supply heat to any rental unit from September 15 to June 1 of each year. During these times, no heat calls are conducted as an emergency, regardless of the temperature outdoors.

In the event there is a "No Heat" call that cannot be fully corrected at the time of initial visit due to supply of materials, temporary heat shall be supplied to the tenant by the contractor. At no additional cost to KFHC, temporary heating should be adequate to heat the unit, and should remain in place until the heating system has been fixed.

Heating Repairs may include repairs if necessary to hot water heating tanks. As well as installation of new rental hot water heating tanks in accordance with Utilities Kingston Program Guidelines. Existing Utilities Kingston rental hot water tanks to be replaced with new Utilities Kingston rental tanks, when necessary.

2. EXAMINATION

NORMAL WORK: shall be commenced not later than the day after the next normal working day following receipt of notification from Kingston & Frontenac Housing Corporation office, and shall be carried out during normal working hours only, until completion of the work. Labour rates for normal working hours only will apply to this work. In the event Normal Work cannot be completed within seventy-two (72) hours of notification due to the volume of the work, the contractor shall advise Kingston & Frontenac Housing Corporation and Kingston & Frontenac Housing Corporation may approve an extended completion time the work may also be re-assigned if necessary. In no event shall work be performed at Overtime rates without prior authorization by the Corporation.
 2. EMERGENCY WORK: shall be performed immediately and continuously until completion, and shall be started within two (2) hours of receipt of notification from Kingston & Frontenac Housing Corporation. Kingston & Frontenac Housing Corporation will authorize the rate for after normal working hours, weekends, and statutory holidays if required for part or all of such work at the time of notification.
 3. FAILURE TO RESPOND: Contractor(s) will note that failure to respond within fifteen (15) minutes by a representative with the authority to schedule work and/or refusal to do work to two (2) or more calls within the portfolio of Kingston & Frontenac Housing Corporation office may result in the Contractor being removed from the Rotational, Pre-Qualified List.
 4. For all "Normal Work" Calls, the contractor shall call the tenant within one (1) business day of receiving the call from KFHC to acknowledge the call and give the tenant an estimated time of arrival.
 5. For all "Emergency and After Hours" Calls, the contractor shall call the tenant and the KFHC after-hours service within 30 minutes of receiving the call from KFHC to acknowledge the call and give the tenant an estimated time of arrival.
 6. Normal working hours is considered from 8:00 a.m. to 5 p.m. Should work be required outside of those hours, overtime rates would apply. Every attempt will be made in order to get emergency work out to the contractor in a timely manner.
 7. PAYMENT
 - a) At the completion of the work, the contractor will submit an invoice to Kingston & Frontenac Housing Corporation. All invoices must be in detail itemizing material cost per item, and rates for work performed; and show the PO number.
 - b) Upon receipt verification and approval of invoice, a cheque requisition authorizing payment shall be issued against the invoice submitted. The contractor will give Kingston & Frontenac Housing Corporation the right to consolidate a reasonable quantity of such requisitions for payment under a single cheque, but at no time will this consolidating period exceed thirty (30) days.
-

- c) If, on receipt and verification of said invoice, Kingston & Frontenac Housing Corporation is not in agreement; the invoices will be returned to the Contractor for re-consideration with a written explanation.
- d) All rates include supervision, overhead, profit, service truck charges and all other job costs, except major equipment such as backhoe diggers, air compressors, pumps. These items must be clearly indicated separately on invoice and backup to be attached to invoice.
- e) All work done on Town Homes Kingston properties shall be invoiced separately.

8. SPECIFICATIONS

- a) All work shall conform to Federal, Provincial and Municipal Laws and regulations. The contractor shall provide and pay for all necessary permits, locates, fees and inspections.
- b) All work shall be performed in accordance with the best standard practice. Only qualified tradesmen and apprentices shall be employed to produce a first class job.
- c) The Contractor shall be responsible for repairing all damage he may cause by the movement of ladders, equipment or materials, during execution of the work.
- d) The Contractor shall submit copies of all applicable licences belonging to personnel who will be performing work on Kingston & Frontenac Housing Corporation property.

9. STORAGE

- a) Materials shall not be stored on site unless permission is obtained in writing from Kingston & Frontenac Housing Corporation.
- b) The Contractor shall be responsible for all materials and equipment being used on site, and for safeguards to prevent damage to Kingston & Frontenac Housing Corporation property.

10. COMPLETION

The Contractor shall keep the premises clean at all times and, on completion of the work at each location, shall remove all surplus materials, tools, equipment and debris and leave the site in a clean and tidy condition to complete satisfaction of Kingston & Frontenac Housing Corporation representative.

Any damage to adjacent work resulting from the work of this contract shall be made good at the contractor's own expense.

11. EXAMINATION

KFHC reserves the right to take a representative sample of any material the Contractor brings to the job to verify whether the material conforms to the required standard.
