# About Us

Thrive360 Care is founded by two passionate practitioners and led by a Director who has over 15 years experience in the Community Services sector.

Thrive360 Care is committed to providing a client centered, holistic service that values collaboration, empowers individuals to reach their full potential and strengthens families with a focus on safety.

---

# Our Values

**Holistic Collaboration:** We believe in working collaboratively with our clients, their support system and families, other services and with the community.

**Advocacy:** We support our clients to navigate the complex service system and ensure their voices are heard and their needs met.

**Empowerment:** We provide individuals and families with the support, tools and resources they need to thrive.

**High-Quality Care:** We are committed to delivering exceptional service that prioritizes person-centred care and a trauma-informed approach.

**Positive Impact:** We strive to support our clients to meet their goals and make a lasting difference in their lives.

---

# Our Services

## Disability and NDIS Services

We specialise in trauma informed care and ensuring the holistic wellbeing needs of our clients. We are committed to supporting our clients to achieve their goals and ensure they have choice, control and most importantly safety, throughout their life. Our supports can be provided in the home or in the community and include:

- Capacity building
- Mentoring

In home supports:

- Ability to provide care through the day and night.
- Providing overnight and active awake care support.
- Personal care needs.
- Basic domestic duties and household tasks.

Community Support:

- Transport and travel
- Access to community for appointments, shopping,
- Attending social and recreational activities of your choosing, such as groups, attending events.

---

# Our Services

## Child, Youth and Family Support Services

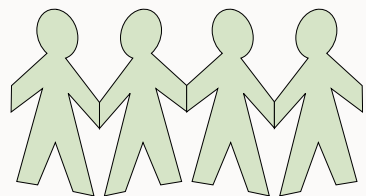

We offer personalised services to meet the unique needs of children, young people and families. This includes providing therapeutic carers for in home supports, family time and support for permanency planning. Whether that be restoration, preservation or semi- independent living for children and young people in Out of Home Care or transitioning to after care supports.

Our supports include but are not limited to:

- Provide care services to children and young people in Out of Home Care (OOHC).
- Where there is established accommodation, we can provide therapeutic care staff.
- Provide in home care support to families including, before and after school.
- Supporting children and young people to attend family time and support restoration and preservation.
- Mentoring to achieve goals such as independent living skills, transition after care and positive social engagement activities.

---

# Our Services

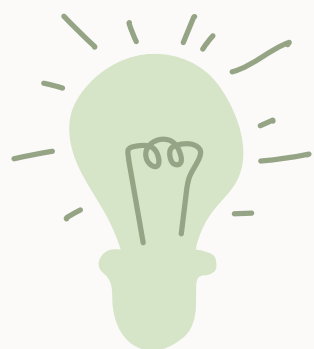

## Specialised Care Solutions

We understand that finding the right care staff to support vulnerable children, young people and adults can be challenging. We pride ourselves on ensuring that only passionate Therapeutic Youth Work and/or Disability Support Workers are part of our team.

We can collaborate with your organisation to provide support staff that are trained, qualified and skilled.

---

## Education and Training

With expertise across the community services sector in Government and Non-Government services this enables us to tailor to your needs. Whether that is relating to intervention and care models, child protection skills, trauma informed care, specialising in violence, abuse and neglect and behaviour management skills to name a few.

We are able to :

- Develop and facilitate targeted training and education to individuals, services and teams, to all levels from senior leadership to frontline staff.
- Provide Group, team and individual supervision

# Our Services

## Complex Consultation & Operational Support

We can provide complex consultation to individuals, teams and services, who are in need of additional support to overcome challenges surrounding complex service systems and care coordination. This may include support to address the care, safety and wellbeing needs of children, young people and families.

Our services include:

- Transition and care planning of children & young people in OOHC, the Justice system or with complex psychosocial and mental health needs.
- Comprehensive existing service review. Development and implementation of service models and frameworks aligned to accreditation and agency standards.
- Development of individualised client models of care for complex needs of children and young people.
- Undertaking of reportable conduct investigations under the reportable conduct scheme
- Undertaking investigations reportable to the NDIS Commission.
