

PROVIDING HOLISTIC CARE SOLUTIONS

*A collaborative and empowering
service, where everyone can
THRIVE!*

OUR SUPPORTS

DISABILITY SERVICES

We specialise in trauma informed care and ensuring the holistic wellbeing needs of our clients. We are committed to supporting our clients to achieve their goals and ensure they have choice, control and most importantly safety, throughout their life. This includes providing supports for capacity building, community access, in home care supports, living skills and mentoring.

SPECIALISED CARE SOLUTIONS

We understand that finding the right care staff to support vulnerable children, young people and adults can be challenging. We pride ourselves on ensuring that only passionate Therapeutic Youth Work and/or Disability Support Workers are part of our team. We can collaborate with your organisation to provide support staff that are trained, qualified and skilled.

CHILD, YOUTH & FAMILY SERVICES

We offer personalised services to meet the unique needs of children, young people and families. This includes providing therapeutic carers for in home supports, family time and support for permanency planning. Whether that be restoration, preservation or semi- independent living for children and young people in Out of Home Care or transitioning to after care supports.

COMPLEX CONSULTATION

We can provide complex consultation to individuals, teams and services, who are in need of additional support to overcome challenges surrounding complex service systems and care coordination. We also conduct care model reviews and reportable conduct investigations.

EDUCATION AND TRAINING

With our expertise across the community services sector in Government and Non-Government services, we can develop and facilitate training and supervision to your teams on areas such as child protection and case management skills, trauma informed care, violence, abuse and neglect and behaviour management skills to name a few.
