

# PROVIDING HOLISTIC CARE SOLUTIONS

*A collaborative and empowering  
service, where everyone can  
THRIVE!*

## OUR SUPPORTS

### DISABILITY / NDIS SERVICES

We specialise in trauma informed care and ensuring the holistic wellbeing needs of our clients supporting them to achieve their goals and ensure they have choice, control and most importantly safety, throughout their life.

- Supported Independent Living (SIL) Homes
- In home supports
- Community Support

### CHILD, YOUTH & FAMILY SERVICES

We offer personalised services to meet the unique needs of children, young people and families.

This includes:

- Providing therapeutic carers for in home supports
- Family time
- Support for permanency planning. Whether that be restoration, preservation
- Semi- independent living for children and young people in Out of Home Care or transitioning to after care supports.

### SUPERVISION

We provide

- Individual / team or service group clinical supervision
- Education and training to casework teams, leaders within the child protection and disability sector, to support their practice within such a complex system.

### CONSULTATION & OPERATIONAL SUPPORT

We can provide complex consultation to individuals, teams and services:

- Child protection: identifying and responding to safety and risk
- Permanency planning
- Organisational support, conduct care model reviews and
- Reportable conduct investigations.

### EDUCATION AND TRAINING

We offer tailored training for individuals, services, and teams—across all levels from frontline staff to senior leadership.

Our areas of expertise include:

- Intervention & Care Models
- Child Protection & Trauma-Informed Care
- Violence, Abuse & Neglect
- Responding to behaviours that challenging and ensuring safe care
