

# June's Leadership Spotlight

LISA SCHLECHTY

My name is Lisa Schlechty and I am the Leader of Missions. I also currently serve as the Secretary on the Staff Parish committee. I have attended Leo Methodist Church for many years and officially became a member a few years ago. I have two sons, Leo (21) and Ethan (17) who I adore. They are also members of LMC. My boys and I love our church family!

We have several wonderful Missions that our church supports, and I am truly grateful for our congregation who so generously gives of their time, talents, and monetary support of our Missions programs. I am specifically the coordinator of Project 216 which is an annual food packing event held in September where we pack meals for people with food insecurities both locally and around the world. You will be hearing a lot more about Project 216 this summer as we work to achieve our financial goals. I hope you will consider participating. Getting active in our church has been life changing in my faith walk so I encourage each of you to pray about where the Lord is leading you. Blessings.
