

May Leadership Spotlight

**Mark Westerhausen,
Church Treasurer**

I am a lifelong resident of Fort Wayne and have been a Methodist my entire life. My wife, Karen, and I joined Leo Methodist Church with our then-young family thirty years ago, and it has been our church home ever since. On the professional side, I just wrapped up my 42nd tax season as a CPA. Outside of work and church, we like to travel and enjoy getting away to catch as many Chicago Cubs games as we can.

Over the years, both Karen and I have enjoyed being part of the music ministry here, which has been a consistent highlight of our time at Leo. Currently, I serve as the Church Treasurer and the Choir Director. I feel called to use my background in administration and my love for music to support our congregation, and I genuinely have a great time doing it. It is a privilege to contribute to the life of the church in these roles!
