Curiosity, Fantasy & Possibility

SHARE FIRST

Is there a fantasy or scenario you're curious about exploring in real life, perhaps with some nervousness or uncertainty? What appeals to you, and what would you want us to understand or discuss before deciding whether it's something you'd actually want?

37

Feeling Close, Feeling Safe

GUESS FIRST

What do you think I see as the strengths in our relationship—the things we do really well together—and how do I feel those strengths influence our intimacy?

49

The Hard Things: Pressure, Shame & Hurt

SHARE FIRST

Is there resentment between us that affects how you experience sexual closeness?

55

What We Want to Create Together

SHARE FIRST

What have you discovered about your own body, sexuality, pleasure or desires during our relationship that your earlier self might not have expected?

73

Take turns. You can share directly, pass or pause. Conversation creates no expectation of sex.
