PROPERTY SNAPSHOT

BUSINESS OVERVIEW

A well-established, reputable and profitable landscaping supplies business in Clarington for sale.

- **Asset Type:** Operating Landscaping Business and Real Estate (Land)
- **Business Overview:** 60 years in operation, proudly operated and serviced by 2 generations. The business offers landscaping supplies including Topsoil such as compost, mulches and aggregates & Triple soil mix, the best seller.
- **Land Details:** Close to 70 acres of farmland, just East of Townline Rd with potential for expansion, where the West of Townline Rd is Residential Land.

The combination of this successful business with its own land presents a unique and attractive investment opportunity, offering stability and potential for future growth.

We believe this listing will be of significant interest to a variety of potential buyers, including existing landscaping companies looking to expand their operations or acquire land, entrepreneurs seeking to enter the landscaping industry with a solid foundation, and investors looking for a business with tangible real estate assets.

We have prepared a comprehensive information package with further details, including financial information, equipment lists, and property specifics. We are eager to discuss this listing further and collaborate with you to identify potential leads within your network.
