

IMPORTANT PEPPER THEO UPDATES:

Due to an ongoing excavation project on the Seminary campus (very near our front door), we have made the difficult decision to halt lunch service starting this week 09-29-21 and continuing through the last week of October 10-29-21.

The project could potentially require water shut off at certain times during the day. This was not an easy decision to make, but guest experience is of the utmost importance to us. They will be using heavy equipment over the lunch time hours. However, we will REMAIN OPEN FOR DINNER since construction ends daily around 5 p.m.!

While this was a difficult call to make, we believe it's in the best interest of our customers. We apologize for the inconvenience and hope that you will continue to join us for dinner!
