# Selection of the South American Subbasin Domestic Well Advisory Committee

- Lynn Wheat
- Amelia Vankeuren
- Ron Pecci
- Suzanne Pecci
- Tom Nelson
- Todd Eising
- Barbara Washburn

The DWAG provides input to and coordinates with the Groundwater Sustainability Agencies (GSAs) with regard to domestic wells in the subbasin. The DWAG:

- Provides a community perspective
- Creates support for further development of a well protection program
- Facilitates a voluntary domestic well monitoring program
- Assists with outreach and implementation

First Meeting to be scheduled in January 2024.
