This is a joint meeting of representatives for each Groundwater Sustainability Agency (GSA) of the South American Subbasin (SASb). The Committee considers shared GSA management issues related to implementation of the SASb Groundwater Sustainability Plan (GSP) and as described in their January 26, 2023, Memorandum of Understanding.

Meeting Goals

1. Review the Subbasin activities underway to implement the GSP and Sustainable Groundwater Management Act
2. Inform on the physical and fiscal status of the Subbasin now and into the future
3. Receive feedback on GSP Implementation
