Opportunity: Emergency Vehicle Technician (EVT) – Hughes Fire Equipment

Hughes Fire Equipment is currently seeking a skilled and dedicated **Emergency Vehicle Technician (EVT)** to join our service team. As a leading provider of premier fire apparatus and emergency equipment, we pride ourselves on keeping first responders safe and their vehicles rescue-ready. We are looking for a technician who shares our commitment to quality, safety, and community service.

In this role, the successful candidate will be responsible for the maintenance, diagnostic troubleshooting, and repair of complex mechanical, hydraulic, and electrical systems on fire apparatus and emergency vehicles.

Key Responsibilities:

- Perform routine maintenance and complex repairs on fire trucks, engines, and specialty emergency vehicles.
- Diagnose and repair diesel engines, transmissions, brake systems, and electrical components.
- Troubleshoot and service specialized fire fighting systems, including water pumps, aerial devices, and foam systems.
- Ensure all work complies with NFPA standards, DOT regulations, and manufacturer specifications.

Qualifications & Skills:

- Proven experience as a heavy-duty diesel mechanic or emergency vehicle technician.
- EVT (Emergency Vehicle Technician) and ASE certification(s) or a strong willingness to obtain them. With company support to get certifications.
- Valid Commercial Driver's License (CDL) or the ability to acquire one.

- Strong diagnostic skills and familiarity with modern electronic diagnostic equipment.
- A team-oriented attitude and a high level of accountability.

At Hughes Fire Equipment, we offer a competitive compensation package with bonuses, comprehensive benefits, ongoing factory training, and a supportive work environment where your skills genuinely save lives.

If you know of a qualified candidate, or if your organization assists skilled technicians in finding rewarding career placements, we would appreciate you sharing this opportunity. Interested applicants can submit their resume directly to mlewis@hughesfire.com or visit our website at Hughesfire.com for more information.

Thank you for your time and assistance in helping us find the right professional to support our community's heroes.

Sincerely,

Matt Lewis | Shop Forman
