

AFSMA January Newsletter

January 10-11, 2025
City of Goodyear
Foam systems

Fire Fighting Foam and CAFS

A special thanks to Keith Klassen, John Roads, Ray Fry, and Richard Cadena for an exceptional training in foam systems. This included CAFS maintenance, repair, adjustments, and an EVT F7 test preparation tutorial.

Business Meeting

Meeting called to order 8:12 a.m.

Secretary's Report: Review of minutes of last meeting

Motion to Accept: Chris Second: Skippy Motion passed

Treasurer's Report: The association is in good financial shape.

The only expense for this training was for food and snacks. We are looking to procure new T-shirts.

Motion to Accept: Vince Second: Chris Motion passed

Vice President's Report:

Thanked The City of Goodyear and the Fleet Services Department for the great venue. Asked for input about ASE prep classes. Looking into future classes on the following topics: Brakes, Aerial, Generators, and CDL.

Motion to Accept: Chris Second: Vince Motion passed

President's Report:

Mentioned that Grady Jones from TAEVT had passed away suddenly and that a GO Fund Me page had been set up for donations. Bill Foster from Spartan also passed. He was instrumental in establishing the EVT certification process. Asked for pump school volunteers for Arizona Fire School in September.

Motion to Accept: Skippy Second: Nick Motion passed

New Business:

Need nominations for EVT of the year. Write up a nomination outlining the characteristics/qualifications of the person you would like to honor and send it to wgpisani@gmail.com

Floor opened for discussion:

Several questions about the SWEVT conference fielded. If you are interested in the Conference contact admin@taevt.org

Motion to Adjourn: Chris Second: Skippy Motion passed

Meeting Adjourned: 8:40 a.m.
