## JANOSKA ENSEMBLE

True art knows no frontiers, and the music of the three brothers from Bratislava Ondrej, František and Roman Janoska and their Konstanz-born brother-in-law Julius Darvas proves that in remarkable fashion: their musical creations happily harmonize or colour-fully contrast their classical fash with the music of other genres – from jazz and Latin to pop music. Janoska Style is far more than just a "sound", it is "music to be lived" – you have to listen to it and feel it live.
