

THE MIDTOWN MINUTE

from the Trafalgar Chartwell Residents' Association

Call to Action:

Quick Midtown Fact: The town is proposing unprecedented density in southeast Oakville. An additional 20,000 people (the size of Collingwood) to live/work

The TCRA does not object to increased high-density housing in Midtown but 20,000 people will forever change Southeast Oakville

The TCRA is actively participating in meetings with Town Planners, the Mayor and Ward 3 Counsellors. We are sharing our communications with other Community associations and will be requesting a Town Hall Meeting that all residents' associations will be encouraged to attend.

Here is how you can help - voice your concerns/send your questions to the Oakville Planning Department - Midtown@oakville.ca. You are encouraged to 'cc' the TRCA (info@tcra.ca) and your Ward 3 Councillors (ward3@oakville.ca)
