Report on Neighbourhood 40km/h Speed Limit Pilot Studies
Engineering and Construction Department
Town of Oakville Council Meeting, Monday January 25, 6:30 pm

To Mayor Burton and members of Council,

1. The TCRA is keenly interested in this issue. I am delegating on TCRA's behalf this evening to emphasize that point. Speeding on streets in our neighbourhood is a frequent complaint we hear.
2. We congratulate Staff on this excellent report. It is lucid and compelling.
3. We particularly note Staff's observation that future implementation of 40 km/h zones should be considered in conjunction with complementary measures such as "other engineering measures, enforcement and education". We strongly endorse this observation and we will strongly support the implementation of Automatic Speed Enforcement and Administrative Penalties when possible.

Sincerely,

Carolyn McMinn
President
