

DIRECTOR'S VIEW

November/December 2013
Volume 1, Issue 4

This year has been so much fun! I had the privilege to serve as your director and to work with a awesome team of officers. As we enter the new year, we take a moment to look in the rear view mirror of 2013. We had over 35 events along with our annual Pre-Laughlin run. Best ever yet. We also rode safe without any incidents. Great job members! We raised over \$12,000 at Run for the Troops that will make a difference with families at the 29 Palms Marine Base. Then we had the first annual Julian Pie Contest Ride and the winner was—————Mother's in Palomar Mtn. This year we now have a Facebook page along with improvements with our Website. We enjoyed a picnic that was put on by our friends at Blacksheep. The question that was raised this year, what did we do more of, Calories or Miles? As we now turn the corner for 2014, all of the 2014 officers wish each one of you a fun and safe 2014 riding season.

S2-Sunset Highway Ride

What's the definition of a great day? Start in Anza Borrego State Park, add a Poker run, food stops, fall colors and SUNSET Hwy and complete 320 miles. Fun time was had by all!
