DIRECTOR'S Corner

Hello HOGS!!!

We had some great rides to end the season and lead us into summer with the 4 Lakes ride and the Crystal Lake ride. My daughter loved the 4 Lakes ride because of the cloudy/foggy riding we did. That was a great time. I missed the Crystal Lake ride but heard it was great as well. We started our summer breakfast rides off with a ride through Pioneertown and then breakfast at the Route 62 Cafe. Then in August, we rode up 74 to Paradise Valley Cafe for breakfast. September took us to Julian for lunch and pie and then we made a trip up to Lisa Hill's Rib Co. for lunch after the meeting.

Early in the year, we had a few stumbles. We had some issues with the group photo location, then with the dates for the Pre-Laughlin run and had to cancel our Lunner for the 2nd year in a row. So with this in mind, the officers have been working hard to make the rest of the year great and next year even better. As an example, we've already locked in next years Pre-Laughlin trip, next years group photo, the annual Black Sheep sponsored "We Are HOG" picnic and this years Year End Party is sure to be one of the biggest yet.

We also sent out a survey during the summer. We got some great responses back. Some of those great suggestions we are putting in place. Instead of waiting until January to do our ride planning session, we did it in early October. One of the suggestions from the survey was "more rides" so instead of the typical 2 a month, we will have 3 or 4. Hopefully this will allow those that haven't been able to make the 1 or 2 have a chance to hit some of the others.

As we welcome back all our Northern members and the weather becomes nice for riding again, I look forward to seeing everyone at the meetings and on the rides. Thanks for the continued support!
