July-September 2019

VOL. 1 ISSUE 3

### FROM THE DIRECTOR

The hot weather is here and our spring rides are now great memories. The unusually cool and WET! weather this year gave us an extended riding season. Be sure to check out some of our planned summer outings in this issue.

Palm Springs Harley continues to support our HOG group with dealer-sponsored events like Customer Appreciation Days, Thursday Bike Nights and those oh-so-popular DOUBLE POINTS on meeting days. Please show your support by attending these events; they're always a great time!

Your Board is working diligently to provide rides and events that all our members can enjoy. If you have any ideas for a ride or a suggestion, we're all ears. We love to get feedback from our members, especially to learn how we can make PS HOG the best HOG group around!

Safe Riding,

Kenton Taber

### THURSDAY BIKE NIGHTS

The first Thursday Bike Night was a big success, even though wind was fierce! Held May 16, 2019 at the Riviera Palm Springs, over 60 bikers attended to show off their bikes, eat tasty tacos and win prizes.

Co-sponsored by Palm Springs Motorsports, the event attracted all types of bikes. Emcee Big John Miller kept the tunes playing and provided impromptu interviews with our sponsors. Cookie Man brought his array of sweet treats, while Palm Springs Harley Davidson, PS HOG and Palm Springs Motorsports all had booths to entice riders with new bike offerings and people to ride with.

See some of the pictures on page 2, and mark your calendar for the June 20 Bike Night.
