This is an accessible and convenient solution for clients who wish to achieve the English Country aesthetic, and is a one off service. This service is charged on a pro-forma basis and two rounds of revisions are included. Client feedback must be received within 2 weeks of issue, if not then we will assume there are no revisions to be made and the service will be signed off as completed. All drawings are provided in PDF format. Please tick the box below to confirm you understand what this service entails.
