of North Carolina

Support - Equity - Advocacy - Sustainability

Vendor Application Form

The Self Direction Coalition of NC is an organization dedicated to empowering families and individuals who use Medicaid waiver services by promoting self-direction as the ideal choice for service delivery. Our mission is to advocate for policies that support self-direction, promote equitable access to services, facilitate long-term sustainability, and protect the rights of individuals to live independently and with dignity.

On Thursday, March 13, 2025, the coalition will hold its first conference at Guilford Technical Community College in Colfax, NC. The conference will be held 9 a.m. to 3 p.m. and will draw together people who are directing OR ARE INTERESTED IN DIRECTING Innovations Waiver (Medicaid) services for their family members or for themselves. Participants will hear national and state leaders covering topics of interest.

We would like to invite you to secure a table for this conference. We can offer 40 tables for vendors who provide support and services to those who self-direct Medicaid services. If you would like to secure one of these tables, the cost is \$100 per table. Logistical vendor information and directions will be sent once your registration is complete. A boxed lunch can be provided to you and anyone else representing your company. The cost of each lunch is \$20.
