

BOLTOGETHER™ Battery Boxes

Solar • Backup • Commercial

- Quick easy bolt together assembly
- Rugged 14 Gauge galvanized Steel Construction
- Stainless Steel Corners, Fasteners and Hardware
- Ships Flat, ready-to-assemble, easier to handle and store
- Pre-punched cable/conduit holes, all 4 sides
- Cross break top keeps rain from pooling on top of enclosure
- Vents allow gases to escape but keep rain and bugs out

2B with Bolttogether Solar Array Mount

	Standard Sizes	8D	4D	30H
2B	24.25" L x 24.25" W x 16" H	2	3	4
4B	46.25" L x 24.25" W x 16" H	4	6	8
6B	46.25" L x 36.25" W x 16" H	6	8	12
8B	46.25" L x 46.25" W x 16" H	8	12	16
