MISSION

To promote and provide activities which aim to address mental well being for teens.

We strive for a world where mental health is given the same spotlight as physical health, where emotional therapy is as socially acceptable as physical therapy.

- Providing a safe place for young adults through exercise classes.
- Focusing on benefiting the body to support the mind.
- Supporting a creative environment and recognizing the positive benefits of the arts to mental well-being.

The Sabrina Noelle Foundation proceeds go toward scholarships, gym rentals, trainers, art supplies and events.

Thank You for All Your Support

By Kristin DuPrey

This past January we lost our beloved daughter & friend Sabrina Noelle DuPrey to a brain disease. In the wake of this tragedy I initiated a scholarship foundation with the help of a group of talented friends.

The Sabrina Noelle Foundation's mission is to promote and provide activities such as arts and exercise programs to address mental well-being for teens.

The Sabrina Noelle foundation has already raised four (4) scholarships, each totaling \$2022 for her graduating class of 2022. Our goal is to continue to offer scholarships for the years to come. I can't thank everyone enough for this generous support.

Thank you Smokin Rock n Roll for being so wonderful in honoring Sabrina and helping us launch this foundation.

The next event is *October 16 at Reese Park from 4 to 8 PM* at the Smokin Rock n Roll food trucks. Come join us at no charge to to hear Billy and the Sunset Strip rock it out and grab a bite to eat from Smokin Rock n Roll.

Also check out Sabrina's Lil' Boutique to shop jewelry and merchandise made by local students and local artists. For more information about donating or making merchandise for the little boutique please visit SabrinaNoelle.org or email Kristinduprey@att.net.

Thank you to all that have worked so hard on this so far!

Thank you Bay Arts for your help with a successful launch this summer! Hope to see you next year too!

Thank You Bay High Rockets and Bay HS Marching Band

A special and dear thank you to fellow Eagle Scout Nora Hamil. She dedicated her final project in Sabrina's honor by creating a sundial by the school. Here we can always remember her loving smile, her loud humor and extremely full of life personality.

Thank you to Mr. Allen, Mr. Awad and Mr. Martin for the wonderful dedication at the halftime show. Here they played the Beatles in her honor and made a lotus formation. This touched the hearts of many of us in this community.
