# Terms & Conditions for use of UNITED Services

PLEASE READ THESE TERMS TOGETHER WITH THE POLICIES (EACH AS DEFINED BELOW) CAREFULLY BEFORE USING THE WALLET APP OR ANY OTHER PART OF THE UNITED SERVICES (EACH AS DEFINED BELOW). IF IN DOUBT, PLEASE CONSULT AND SEEK PROFESSIONAL ADVICE FROM YOUR ADVISORS BEFORE PROCEEDING TO REGISTER OR APPLY FOR OR USE ANY PART OF THE UNITED SERVICES. BY YOUR REGISTRATION FOR A UNITED WALLET ACCOUNT, CONTINUED HOLDING OR USE OF A UNITED WALLET ACCOUNT THROUGH THE UNITED WALLET APPLICATION, YOU ACKNOWLEDGE THAT YOU HAVE FULLY UNDERSTOOD THESE TERMS IN THEIR ENTIRETY AND YOU AGREE WITH AND ACCEPT THESE TERMS IN THEIR ENTIRETY AS A LEGALLY BINDING AGREEMENT BETWEEN YOU AND UNITED (AS DEFINED BELOW). IF YOU DO NOT AGREE WITH AND ACCEPT ANY PROVISION OF THESE TERMS (OR ANY PART THEREOF), PLEASE DO NOT USE ANY PART OF THE UNITED SERVICES. IF YOU ARE UNDER 18 YEARS OF AGE, YOU WILL NOT BE ELIGIBLE TO APPLY OR REGISTER FOR OR USE THE UNITED WALLET, CLAIM DIVIDENDS OR PARTICIPATE ANY OTHER PART OF THE UNITED SERVICES.

These Terms incorporate, and you hereby agree with and accept, the Privacy Policy, other applicable policies, other terms and conditions as may be prescribed by UNITED, notices, procedures, specifications, FAQs, guides and guidelines that are provided or made available to you, appear on the UNITED Website or are referred to in these Terms and which UNITED may modify from time to time (collectively, the “**Policies**”).

## **1) Important information on key risks**

This section of these Terms highlights some of the risks associated with transactions in connection with virtual currencies, cryptographic tokens and/or other digital assets such as those which are the

Accepted Assets, payments services and other risks which UNITED would like you to consider before accepting these Terms and using any part of the UNITED Services. You are solely responsible for understanding and complying with any and all applicable laws, rules and regulations in connection with your acceptance of these Terms and your use of any part of the UNITED Services, including but not limited to those related to taxes or foreign currency transactions as well as reporting and disclosure obligations. To the best of the knowledge and belief of UNITED, all risk factors which are material to you in making an informed judgement as to whether to accept these Terms and use any part of the UNITED Services have been set out below. However, the list of risk factors set out below is only a non-exhaustive list for your consideration, and other risks, arising either now or in the future, could additionally be relevant and applicable to you in making an informed judgement as to whether to accept, or continue to accept, these Terms and/or use, or continue to use, the UNITED Services.

## **2) Risk of Funds Not Being Immediately Available**

UNITED may close, suspend, or limit your access to any part of the UNITED Services (as defined below), and/or restrict your access to your dividend Account (as defined below) for so long as reasonably required to protect against the risk of liability if you violate, breach or fail to comply with any part of these Terms and the Policies (as defined below). For the avoidance of doubt, UNITED may also permanently close, suspend, or limit your access to the UNITED Services if you violate, breach or fail to comply with any part of these Terms and the Policies.

### **Payment Execution Risks**

Please note that following UNITED's receipt of your payment order or instructions to proceed with a transaction in connection with the Accepted Assets (as defined below), UNITED will process or execute such transaction (and where applicable, also credit the relevant payment service provider) as quickly as the relevant payment schemes and financial networks allow (and such

transaction may be completed by the next business day following the date of UNITED's receipt of your payment order or instructions).

### **Price Change Risk Associated with Using Virtual Currencies**

Prices of virtual currencies, cryptographic tokens and/or other digital assets fluctuate day by day or even hour by hour. The value of your Available Balance could surge or drop suddenly. Please note that there is a possibility that the price of virtual currencies, cryptographic tokens and/or other digital assets such as the Accepted Assets could drop to zero. Prices of virtual currencies, cryptographic tokens and/or other digital assets are prone to significant fluctuations, for example, due to announced proposed legislative acts, governmental restrictions, news related to cyber-crimes or other factors causing potentially excessive market enthusiasm or disproportionate loss in confidence. Prices of virtual currencies, cryptographic tokens and/or other digital assets can also be manipulated.

### **Liquidity Risk and the Nature of Virtual Currencies**

Your UNITED Wallet Account and the Available Balance of your UNITED Wallet Account are not protected by the relevant deposit guarantee or investment indemnity schemes in the jurisdiction(s) of UNITED.

Virtual currencies, cryptographic tokens and/or other digital assets such as those which are the Accepted Assets are not legal tender and are not backed by any government. Unlike fiat currencies, which are regulated and backed by local governments and central banks, virtual currencies, cryptographic tokens and/or other digital assets such as those which are the Accepted Assets may be based only on technology and user consensus. In cases of massive manipulations or market panic, central governments will not take any corrective actions or measures to achieve stability, maintain liquidity or protect the value of virtual currencies, cryptographic tokens and/or other digital assets such as those which are the Accepted Assets.

### **Blockchain Network Risk**

Completion of certain transactions in connection with virtual currencies, cryptographic tokens and/or other digital assets such as those which are the Accepted Assets on blockchains can be

deferred for a certain period of time until an adequate number of confirmations has been received. A UNITED Wallet Transaction or a Card Transaction (to the extent that it is blockchain-based) will not be confirmed in your UNITED Wallet Account until such adequate number of confirmations has been received and confirmed by UNITED. There is a possibility that your UNITED Wallet Transactions and Card Transactions (to the extent that they are blockchain-based) may be cancelled or remain unconfirmed on blockchains. Transactions in connection with virtual currencies, cryptographic tokens and/or other digital assets such as those which are the Accepted Assets may be irreversible, and, accordingly, Losses (as defined below) due to fraudulent or accidental transactions may not be recoverable. Some transactions in connection with virtual currencies, cryptographic tokens and/or other digital assets such as those which are the Accepted Assets shall be deemed to be made when recorded on a public ledger, which is not necessarily the date or time when you or another party initiated the transaction.

### **Risk of Using External Wallet Services and Exchange Services**

In the case where you use an external cryptocurrency wallet or a cryptocurrency wallet which is established or maintained with an Exchange (as defined below) and you do not have secure possession of your private key or credentials to access such cryptocurrency wallet, you may not be able to access your virtual currencies, cryptographic tokens and/or other digital assets including those which are Accepted Assets. UNITED is also under no obligation, and may not be able, to assist you in such case.

### **Risk of Using UNITED Wallet Account and UNITED Wallet App**

While UNITED is committed to high standards for maintaining the security of all private keys to the cryptocurrency wallets associated with UNITED Wallet Accounts, UNITED is not responsible and is not liable for any Loss resulting from any loss, theft, or inappropriate or unauthorised disclosure of and/or use of the private keys to the cryptocurrency wallet associated with your UNITED Wallet Account where such loss, theft, or inappropriate or unauthorised disclosure of and/or use is not within the control of UNITED. UNITED is also under no obligation to take any corrective action or measure in the

event of any such loss, theft, or inappropriate or unauthorised disclosure of and/or use.

### **3) Regulatory Uncertainty**

The regulatory frameworks applicable to payment services providers and transactions in connection with virtual currencies, cryptographic tokens and/or other digital assets such as those which are the Accepted Assets are still developing and in a state of flux. It is possible that your UNITED Wallet Transactions are, or may be in the future, subject to various reporting, tax or other liabilities and obligations. Legislative and regulatory changes or actions at the country, regional (for example, in the EU or an EEA) or international level may materially and adversely affect the use, transfer, exchange, and value of virtual currencies, cryptographic tokens and/or other digital assets such as those which are the Accepted Assets.

registration or application is approved by UNITED, UNITED shall consider you as a “**Business Customer**” and your UNITED Wallet Account as a “**Business Account**”; (b) you represent and warrant that such corporation is duly incorporated and validly existing under the Applicable Laws; (c) you represent and warrant that you are duly authorised to agree with and accept these Terms for and on behalf of a corporation and procure the performance by such corporation of all obligations hereunder; and (d) all references to “you” in these Terms shall refer to such corporation.

You may also be responsible for any other actions taken by such third party using your Credentials. Granting permission to any third party in any way does not relieve you of any of your responsibilities, obligations and liabilities under these Terms.

6.4 In the event that you discover, suspect or have reason to believe that there has been any UNITED Wallet Transaction or Card Transaction arising from or in connection with any loss, theft, or inappropriate or unauthorised disclosure of and/or use of your Card, your UNITED Wallet Account and/or your Credentials, you shall immediately:
