Harlequin mira submission guidelines

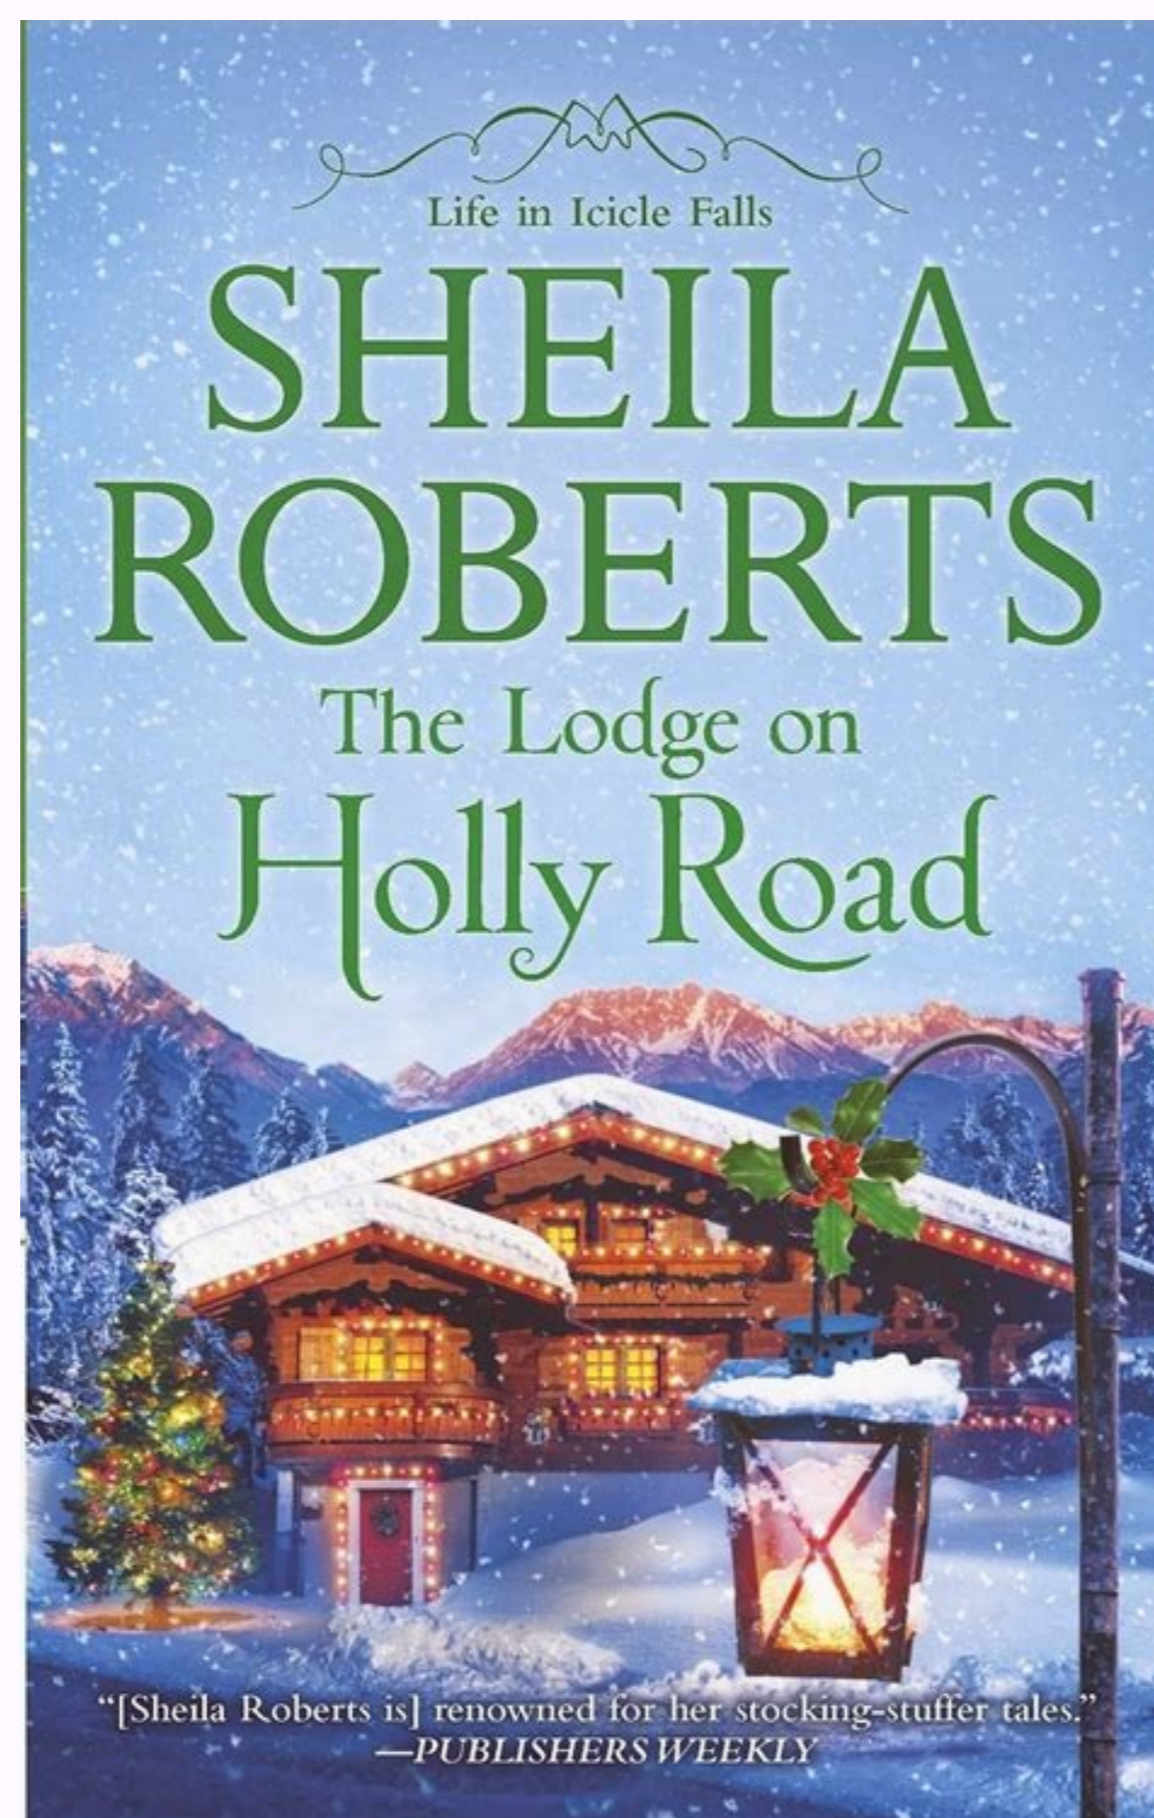

Richly textured and emotionally intense novels, which take place in a wide range of historical periods, from ancient civilizations to the fifties. We want to publish a diverse group of readers around the world, and we are actively trying to get under-represented authors, as well as stories representing the lack of chances in popular periods. Send the agent. The main historical elements of Harlequin are powerful, dynamic symbols with reliable and recognizable conflicts that are suitable for the time. Central relationships as a driving force of history. We are happy to consider LGBTQ+ heroes in the main love story. Historical research and accuracy are needed for the rebirth of the world! However, don't forget to focus on romance. The sensation of tingling took into account all levels of sensuality that appear when the wet Mr Darcy rises from the lake to clean suitcases in the bedroom from the moment of Tudora, regardless of sensuality, chemistry and sexual level tension. There is no paranormal element or time in this series. Ridensi, Victorian, Mountain Man, Vikings and Middle Ages are the most popular among our readers around the world. Nonetheless, there is also a place for diversity - we are delighted to publish stories from ancient civilizations until the fifties, although in January 2019 we stopped publishing Westerners. Number of words: 70,000 - 75,000 words created as historical characters in Harlequin. Examples of the heroes you find in this series are a regional robbery with a bad flash in the eyes, a muscular soldier who owns a sword or a wonderful child -Haylender. Maybe an energetic Viking disc, a lonely maid with scars or government. We had spies in the Royal Court of RomeB "Rich and emotionally tense novels taking place in a wide range of historical periods \Xe2 \x80 \X94Ot of old civilizations until the 1950s. Sub-represented authors. And throughout the series" Arlequin ", we Let us read all the documents and you do not need an agent to send you. They correspond to the time in which they take place. Central relationships are the driving force of history. They like to consider the characters Main LGBTQ+ as central to the novel and historical research and accuracy are necessary to bring the world to life! But do not forget to focus on romance. All levels of sensuality are doors \xe2 \x80 \x94 In sentences in the nacking that you feel when Mr. Darcy gets up from the lake with his wet shirt, for Frank the games in the Tudor room, whatever the level of sensuality, chemistry and sexual tension, are vital series. , there are no paranormal phenomena or moving elements over time.
