

## POWER CIRCULAR SAW PERMISSION SLIP

"I certify that I have received safety instruction on the use of the power circular hand saw that I may use in the West Virginia SkillsUSA Contest, and it has been thoroughly inspected and is in safe working condition. I release the West Virginia Association of SkillsUSA; the State Technical Committees; the State Contest Judges; West Virginia Department of Education, and West Virginia Board of Education from all responsibility relating to personal injury resulting from its use. I understand I have the option of using a regular hand saw if I desire, with no points deducted.
