## Plan Now for 2021 SkillsUSA Week

SkillsUSA Week is Feb. 7-13, and you can participate in many different ways: Honor your community supporters, connect with local business and industry professionals, or make a presentation about your CTE program and SkillsUSA chapter at a school board meeting. We encourage you to celebrate all week by planning activities that follow this daily schedule of events that will be held by local chapters nationwide:

**Monday, Feb. 8, Recognition Day.** Celebrate and honor members, advisors, administrators, business partners, community leaders and supporters who make a meaningful impact on your CTE program and SkillsUSA chapter.

**Tuesday, Feb. 9, Give Back Day.** Rally around your school and community by focusing on ways for your chapter to give back.

**Wednesday, Feb. 10., Partner Day.** Invite local business and industry leaders to connect with chapter members as you highlight the importance of developing the career-readiness skills found in the SkillsUSA Framework.

**Thursday, Feb. 11, Advocacy Day.** Amplify CTE in your community by conducting a local public relations activity, such as presenting to school board members, administrators or community leaders.

**Friday, Feb. 12, SkillsUSA Day.** Celebrate SkillsUSA by wearing your favorite SkillsUSA shirt, planning a celebration activity or posting your Framework story on social media using the hashtag #SkillsUSAWeek.

## Professionals Can Now Print Membership Cards Instantly

SkillsUSA has implemented a new feature that allows all professional members to print their own membership cards as soon as they join, right from the membership registration website. This new feature provides each member with a quality, printable card without the wait. Each school/organization has the option to print individual cards on one page or print multiple professional cards to a single page using the batch print option. A log-on to the membership registration site is required. With this new feature, the professional membership card mailing by the national office has been discontinued.

To print your card(s), simply log-on at <https://www.skillsusa-register.org> > Membership tab> select *Print Professional Cards-Single Print*, locate the page your name is on and print just that page or select *Print Professional Cards-Batch Print*, to print multiple cards to one page. We recommend you print on white card stock for a quality image, and you can laminate the cards if desired. Once joined, your SkillsUSA professional membership and benefits are accessible through July of 2021.
