## World Series of Innovation Competition Open to Young Entrepreneurs

World Series of Innovation is an online, project-based competition sponsored by the Network for Teaching Entrepreneurship. Young innovators from across the globe are encouraged to enter the competition every fall and compete for cash prizes.

In the competition, small teams of young entrepreneurs (age 13-24) create business solutions that align with the United Nations' Sustainable Development Goals (SDGs) and answer a special challenge posed by an entity from the private sector. Some teams compete independently, some are affiliated with schools or youth development organizations, and some undertake a challenge as a guided classroom project. Educators who are interested in using the World Series of Innovation in the classroom or encouraging student participation as an extracurricular enrichment opportunity can access a robust toolkit that provides additional resources for students and teachers.

## Students Eligible for Prudential Spirit of Community Awards

Honor some great young volunteers in your school. Applications are now open for 2020 Prudential Spirit of Community Awards, honoring students in grades 5-12 for making meaningful contributions to their communities through volunteer service.

Now in its 25th year, this program, sponsored by Prudential Financial in partnership with the National Association of Secondary School Principals, provides an opportunity to celebrate young volunteers throughout your student body and generate positive publicity for your school. It also gives one or more of your students the chance to win state and national awards.

Here's how it works:

- **Promote:** Ask students who have volunteered over the past year to apply for a 2020 award at [spirit.prudential.com](http://spirit.prudential.com) or [nassp.org/spirit](http://nassp.org/spirit). Student application deadline: **Nov. 5, 2019**.
- **Select:** Then, you can certify top applicants for state-level judging on behalf of your principal. Certification deadline: **Nov. 15, 2019**. Qualifying certified applicants will receive the President's Volunteer Service Award and will be eligible to earn a \$1,000 scholarship or more, a medallion and an all-expense-paid trip with a parent or guardian to Washington, D.C., next spring for four days of special recognition events.
- **Celebrate:** State-level honorees will be announced in February 2020. In the meantime, your school can recognize top applicants for their volunteer service and hold them up as role models for their peers by presenting them with Prudential Spirit of Community Award certificates.

Your principal should already have received an information packet on the 2020 awards. If you need another packet, or if you need a paper application, please call 888-651-2951. Program details are also available at: [www.spirit.prudential.com](http://www.spirit.prudential.com) and [www.nassp.org/spirit](http://www.nassp.org/spirit).
